

Acton teams urgently needed for Relay for Life

Teams are urgently needed to round out Acton's participation in the Relay for Life event at the Rockmosa Community Centre in Rockwood on Friday, September 22 at 7p.m. through to 7a.m. on Saturday, September 23.

Approximately 600 people will be taking part in the event which is being jointly sponsored by branches of the Canadian Cancer Society from Acton, Rockwood and Erin. All proceeds go to the fight against cancer, a disease which few people have not been affected by in some form or other.

Teams can be as many as 10 people from all-walks of life although smaller numbers are acceptable.

The evening begins at 7p.m. with the Survivors's Victory Lap, a time to salute those people who have survived cancer. It's anticipated over 10 survivors will begin the journey around the candle-lit track. The event continues with the Luminary Ceremony at 9:45p.m. Each luminary is a candle lit "In Honour" or "In Memory" of someone who has had cancer touch his or her life.

The Canadian Cancer Society's invitation is succinct. Let's Spend the Night Together," is the theme.

To register your team call Terri Forbes at 888-881-3414 and make sure Acton is well represented at the Relay for Life.

EARLY START: Acton High School Grade 11 student Kendall Brown started school with an 8 a.m. registration with secretaries Angie Kukkonen (left) and Linda Rusby where she received her planner, student card, locker and submitted necessary forms. — Frances Niblock photo

New medical centre?..

Continued from page 1 August 31.

While the province has designated Halton Hills and Acton as an under-served area for family physicians, there currently is no addi-

tional office space for another doctor at the Acton Medical Centre.

To date, no one has expressed any serious interest in opening a medical office in the vacant space beside

Shoppers Drug Mart.

The plaza owner agreed not to rent the space for two years – with one year to go – in order to have it available if a new doctor wanted to open a practice in Acton.
