Seniors Safety

Keep your wallet or purse out of view

Never wrap it around your wrist or place it around your neck. If a thief tries to steal it, it could cause serious injury to your person.

Never leave your purse or wallet unattended in a shopping cart on a store counter or on a floor of a restaurant at your dining room table.

Do not over burden yourself with large packages, bags of merchandise.

When opening your purse or wallet, do not allow others to see what's inside. It's your personal property, keep it personal.

Never carry large sums of money or valuables in a purse or wallet. Carry only the essential items required for that particular trip.

Travel with a friend, in well lighted area,

If someone does try to steal your purse or wallet do not resist. Your personal safety is far more valuable than any amount of money.
