POLICE/FIRE REPORT

Vacant house fire

Acton firefighters had to use chainsaws to cut through overgrown trees to get to a fire in an abandoned house on Highway 25, south of 22 Side Road, that was called in at 5:30 on Saturday morning by a patrolling Halton police officer.

Once they cleared the driveway, firefighters quickly extinguished the fire, which is still under investigation.

Bad burn

Acton firefighters found a

homeowner burning un-authorized material when they responded to a call about black smoke in the Highway 7- Sixth Line area at 2:07 on Friday afternoon.

The resident was informed of the Open Air Burn permit requirements and the contained fire was extinguished.

False alarm

A Beardmore Crescent resident was advised to have their home's alarm system inspected after a false alarm at 8:47 p.m. on Labour Day.
