Please, no dogs at the fair...

Continued from page 23 you only want to attend the Miss Acton Pageant Friday night, other members of your family can use the Saturday or Sunday coupon. Of course, we hope you will attend all three days.

Back to the program. Saturday afternoon and evening we present more horse shows, highway truck pulls and garden tractor pulls in the evening.

Our featured entertainment Saturday night is popular artist John Landry with South Mountain. You might want to bring a lawn chair to ensure a good seat. This will be the last year that the homecraft show, the Miss Acton pageant and our Saturday night entertainment will be held in a tent. Next year the new Ag. Society building will be open.

Sunday the gates open at 8 a.m. but the midway

gears up closer to noon. We showcase the dairy cattle show, pet show, western horse show, 4x4 truck pull, antique tractor pull, and the always fun mini-tractor pedal pull for the kids.

My headline says it all. Please, except for the pet show, leave Fido at home. We have nothing against man's best friend but the fair is no place for your pooch. There is way too much noise, people, and especially excited children running around. After the pet show you will be asked to take your dog home.

All in all it promises to be a great weekend. See you at the fair.
