

Double fatality...

Continued from page 1

The SIU director concluded there was nothing in the Halton officer's conduct that "caused or contributed" to the tragic accident.

The 71-year-old male driver of the Ford Focus and the woman and child from the minivan, were treated for minor injuries and released from hospital.

Funeral services for Mrs. Shultz will be held Friday at Trinity United Church in Acton at 2p.m.

Visitation at the MacKinnon Funeral Home is today (Thursday) from 2-4p.m. and 7-9p.m. She worked for the Bank of Montreal for over 25 years in a variety of financial positions after graduating from Trent University.

Elyse loved to hike and bike in and around north Halton Hills and area, and was fascinated with art, music and literature. Staff at the Acton bank were shocked by the loss of Elyse and were unable to comment on their loss.

Closed captioning to be installed at Regional chambers

Following the proceedings of Halton Council will be much easier for people who are deaf, deafened or hard-of-hearing once a new captioning system is installed at the Regional council chambers.

Like the new captioning system at the Halton Hills council chamber, the \$10,000 system approved recently by Halton Council offers real-time captioning where captions are added live to a program while it is being taped by TVCogeco, which broadcasts the council meetings three times in the week after the meeting.

On-going annual costs of approximately \$8,200 include two phone lines and fees of \$145 per hour to the captioning company.

The captioning service should be operational in May.
