HUNTER
In memory of Muff (Marvyn) William Hunter who passed away 25 years ago, on March 27, 1982. We have missed you Dad at so many occasions in our lives, our graduations, weddings, and the birth of your 4 granddaughters and 2 grandsons. You've also been missed for all the everyday events that we just took for granted at our young age that you would always be a part of, as well as at Christmas especially when it was time to unwrap presents, when something needed fixing, at family reunions and anytime we see a tractor or smell a field of fresh cut hay. Most importantly we miss your calmness, your gentle guiding way, your smirk, your willingness to do anything to help out a friend, family member or stranger, your few but well chosen thoughtful words, your hospitality and your incredible work ethic. Lovingly remembered and missed by Marion, Tammy Somerville, Sandi Bija and Jay, and the spouses that never had the honour of knowing you, David and Erika. The grandchildren you never had the pleasure of holding, who know you through pictures and stories: Dawson, Megan, Nicole, Colin, David and Addison.
"Families are like angels that lift our feet when our wings have trouble remembering how to fly."
