HOROSCOPES

ARIES – Mar 21/Apr 20
 An effortless gesture on your part means a lot to someone close to you this week, Aries. You get better at doing a project that was brought up at work.

TAURUS – Apr 21/May 21
 Someone turns out to be very different from what you first imagined, Taurus. It's better if you keep your guard up. Don't let a wrong decision turn into a costly mistake.

GEMINI – May 22/June 21
 The person you believe to be standing in your way may actually be able to help you, Gemini. Take the lead from Libra and favor compromise over confusion.

CANCER – Jun 22/Jul 22
 Chance encounters cause you to feel nervous later in the week, Cancer. Don't push these people away — make the most of the situation to try something new.

LEO – Jul 23/Aug 23
 Good news continues to come your way, Leo. If you are expecting some recognition at work you're bound to see results this week. Friends praise your efforts.

VIRGO – Aug 24/Sept 22
 You are up against your limit, which has left you wondering what is on the other side, Virgo. Your love of duty has you taking on even more responsibility that you just can't handle now.

LIBRA – Sept 23/Oct 23
 Your imagination takes you on another wild ride this week, Libra. But this isn't just a fantasy you're living; your actions have real-world applications.

SCORPIO – Oct 24/Nov 22
 Intrigue follows you around like a puppy, Scorpio. Those close to you either are put off by your mannerisms or want to be like you. There is no subtlety in your nature.

SAGITTARIUS – Nov 23/Dec 21
 Keep others amused and they'll let you get away with anything, Sagittarius. This works particularly well for you with a romance you've been nursing.

CAPRICORN – Dec 22/Jan 20
 Surrender a point that doesn't mean that much to you either way, Capricorn. There's no point causing a battle over trivial matters. Career plans are on hold right now.
