with Village Constable Rob Felske National Road Safety Week

Canada Road Safety Week is a traffic initiative promoted by the Canadian Association Chiefs of Police - Traffic Committee. This initiative commences May 14 and ends on Victoria Day, Monday, May 21st, 2007.

Each year in Canada more than 2,800 persons die on our roadways and more than 210,000 persons are seriously injured. These enforcement driven initiatives are designed to increase public compliance with traffic laws and to raise awareness of safe driving measures with the ultimate goal to save lives.

It appears the message; 'Aggressive Driving is Dangerous' is not reaching all members of our community.

The term Aggressive Driving can be applied to any action that impedes the safe operation of a motor vehicle such as: Red Light violations, Stop Sign violations, Unsafe Lane Changes, Speeding, Following too Closely and Failing to Yield. These acts of Aggression can culminate into collisions, property damage, personal injury, and death.

Any act of Aggression is not an ingredient that is acceptable while operating a motor vehicle.

Halton Police wish to remind all drivers and pedestrians, if you witness an act of aggressive driving please contact us so we can investigate the incident immediately, or complete a Community Road Watch Citizen Complaint Form. Please do your part to promote Road Safety within our community. Road Safety, it can start with you!
