Wet fundraiser for Georgetown Hospital

A dunk tank on a hot day – it just doesn't get better than that! Join the staff at Georgetown Hospital tomorrow (Friday) from 10:00 a.m. to 2:00 p.m., for a sizzling fundraising event organized by Gerrie Electric in the Georgetown Hospital's Courtyard.

This fun-filled day in support of the hospital includes numerous door prizes, give-aways, a silent auction, vendor product displays, a barbeque lunch and, of course, the irresistible dunk tank - where you can dunk Gerrie Electric employees. Proceeds from the day will be

donated to the Georgetown Hospital Foundation.

The Georgetown Hospital Foundation was originally incorporated in 1977 to help the Hospital meet steadily increasing demands on its resources from a growing Halton Hills population. In 2006, with the transfer of Georgetown Hospital to Halton Healthcare Services, a new Georgetown Hospital Foundation was incorporated as an independent Foundation. This new Foundation's sole purpose is to support the purchase of equipment for Georgetown Hospital.

Yaris car raffle

If you are looking for a trendy little car that's great on fuel, luck may be driving your way. You could win a 2007 Toyota Yaris four door sedan this fall - just by supporting Georgetown Hospital!

"In honour of their 10th anniversary, Georgetown Toyota has very generously donated a 2007 Toyota Yaris to be raffled off, with all the proceeds going toward the new anaesthetic machines for our operating rooms and other medical equipment needs of the Georgetown Hospital," said K.C. Carruthers, executive director of the Georgetown Hospital Foundation. "It will be quite a thrill to give away this fun new car to the lucky winner. We are only printing 5000 tickets, so your odds of winning are amazing!"

Tickets are \$10 each, 5 for \$40, or 10 for \$70 and can be purchased at the Scotiabank branches in Georgetown and Acton, at the Hospital Foundation Office or at Georgetown Toyota. The draw will be held on September 16, 2007 at the Acton Fall Fair.
