## Guelph/ Eramosa Council chips

**By Rebecca Ring**  
**Flags to honour Vimy Ridge**

Council plans to commemorate the 90<sup>th</sup> anniversary of the Battle of Vimy Ridge with more flags and ensigns at the Rockwood Cenotaph. The estimated cost is \$3593.71. The Guelph/Eramosa Heritage Committee will pay \$1000 and the Township will pay the rest.

"The flags will add esthetic value and show respect for what was accomplished by those named on the cenotaph," said Councillor Doug Breen.

The proposed flags and ensigns are those that Canadians fought under in World War I and II; The Royal Canadian Army, Air Force, Navy and the Union Jack.

"The committee's budget is small but it is important to recognize this anniversary, as Vimy Ridge is seen as the birth of Canada, said Mayor Chris White.

Historians say that after the battle, waged from April 9 to 12, 1917, Canada emerged from under the shadow of Britain and felt capable of greatness. Canadian troops earned a formidable reputation on the world stage because of their stunning success.

**Rockwood Cemetery Fees increased**

The Guelph Cemetery Commission presented its new fee schedule to council. There are increases for all interment rights, fees and cremation, except for the interment fees for a small child. The largest increase is for a four-by-ten foot grave, which went from \$1100 in 2006 to \$1200. Breen asked for specifics on packages already purchased. "Will they be charged the new

interment fees?" he asked. Clerk/CAO Janice Sheppard was asked to get the information. White said the cemetery has been running at a deficit and these yearly increases are intended to address this. Councillor Reta Moyer asked for a price comparison with other cemeteries.

**Watson Rd. and Jones Baseline parking problems addressed**

Council agreed to review the Township Parking By-Law, specifically for Jones Baseline and Watson Rd. at County Rd. 124. Breen made the motion in response to complaints about people parking on the roadways to slip into Guelph Lake Conservation Area. He wants "No Parking" signs erected and enforced. He also suggested contacting the GRCA about the problem. "We intend to sit down with the GRCA on many issues and this can certainly be one of them," Mayor White said.

"After all, it is lost revenue to them."

**Economic Development Committee's goals**

Councillor Moyer presented the Economic Development Committee's plans to council. Their main objectives are to promote the township as a whole, encourage people to buy local goods and services, and attract visitors to local businesses. She said the "Buy Local, Buy Fresh" publication and the Guelph-Wellington Visitors Guide are two good vehicles. The committee wants to encourage a wider distribution and promotion. The Rockwood Eramosa Business Association is invited to the committee's next meeting to see how they can work together. They also plan to contact film production companies and provide them with promotion packages for goods and services in the area.

**WHO'S GRADUATING  
IN 2007**

**THE NEW Tanner**  
PUBLISHING LTD.

**10th Annual Graduation Section**

will be published June 28

for Grades 8 & 12 Graduates
