

We should all be so proud to be Canadian, living in the best country in the world, and what a better way to celebrate being Canadian than to experience celebrations right here in Halton Hills. Glen Williams and Acton are going to be two hotbeds of activity. You can start the day in Glen Williams where they will have a full day of events including a pancake breakfast, baseball game, and parade, just to mention a few. To top it off, come to Acton's Prospect Park for the official opening of the Rotary Bandshell at 5:00 p.m., and Concerts in the Park, and we're still not finished. Thanks in large part to the Acton Firefighters

Mayor's Corner

By Rick Bonnette

Association, there will be a large fireworks display, and your generous donations are welcome to offset the costs of the fireworks.

The Acton and Georgetown BIAs are busy organizing upcoming events. Are you hungry? On July 27th and 28th, Downtown

Georgetown will be in full swing presenting the Festival on Main (formerly The Village Festival) in partnership with the Georgetown Homecoming 2007. Come and explore the new look of downtown Georgetown. It's looking great, and I have received several positive remarks. The Farmers Market is now open every Saturday

for another season. Support our local farmers.

Don't forget to mark your calendars to attend the Georgetown Homecoming 2007 event on July 27th, 28th, and 29th. The organizers have been very busy putting together a fantastic program. For information,

please check out the website at www.georgetown2007.ca.

Starting July 1st, the Mayor's Showcase will be displaying some works of art of the late Laura Dittrich that highlights scenes of the old Town of Acton. This artwork was kindly donated to the Town thanks to Lorne Doberthein.

Halton Hills, in partnership with Milton, Oakville, Burlington's Ron Edwards YMCA, and both Halton Boards of Education are pleased to be launching the Swim to Survive Lifesav-

ing Program. The program provides the opportunity for children to learn the absolute basics to survive near water. Swimming is an essential life skill, and all Canadian children need to learn to swim. With Halton Hills being a water-rich community, it is extremely important that children learn basic lifesaving skills. Approximately 240 Grade 4 students in Halton Hills will be participating in the program, with the intent to expand in 2008.

Keeping it real! I can be reached by telephone at 905-873-2601, ext. 2342, or by e-mail at mayor@haltonhills.ca.

The Regional Municipality of Halton

A new service from Halton Region

Have you ever wondered how to find information about services in the community when you or someone you know needs help?

Now you can just dial 211 to get the information you need.

TO FIND INFORMATION ON COMMUNITY, HEALTH AND SOCIAL SERVICES IN HALTON DIAL

COMMUNITY CONNECTION

211 is for non-emergency calls.

Confidential service, 24 hours a day, 7 days a week, 365 days a year.

Free and easy to use – no phone menus.

Service is available in more than 150 languages.

211 service is also available online at www.211halton.ca

iRecycle because it makes a difference.

Every item recycled is one less item ending up in Halton's landfill. This extends the life of the landfill, which benefits the whole community.
