Derby Winners

Bass back in lake

By Frances Niblock

Along with the 45 junior anglers who entered the first annual Rotary Club of Acton fishing derby in Fairy Lake on Canada Day, organizer Herb Dodds was also glad to see a lot of Bass pulled, and then returned, to the lake.

"There were some good fish - I was glad to see those Bass, I didn't realize they were thriving. They are starting to do very well in this lake," Dodds said, following the derby, adding Bass have been scarce for the past five years, but a 2-pound 12-inch one was caught along with a couple of "nice 20-inch Pike."

Derby winners include:
Largest Fish: Justin Percy - 2-pound, 12-ounce Bass*
Largest Bass: Kyle Sheppard - 2-pounds, 4-ounces
Largest Pike: Mitchell Gendron - 1-pound, 13-ounces

IT WAS THIS BIG: 1st time Acton Fishing Derby contestant, 6 year old Justin Percy caught the big one on Saturday earning him the biggest fish award for the bass he caught. - Angela Tyler photo

Largest Sunfish: Cody Adema - 15-ounces

UNDER-12 BOYS' ACTION - Luke Otten of Otten Heritage Contracting, left, wins the ball from an Aquality Irrigation player in a match that ended with a convincing win for the white Aquality team-Submitted photo

Under 12 Soccer

Otten takes three straight

Otten Heritage Contracting has now put their two-game losing streak well behind them. This plucky Under-12 boys team recovered from a heavy loss to Acton's Aquality Irrigation team by winning against a skillful Georgetown side in the Trillium Ceremonial Game at the Dufferin Community Centre. They then won in fine fashion at home to Rockwood, and this week made it three wins in a row (two in the league) with an impressive 6-3 victory over the gold Hillsburgh-Erin team.

Acton High School field is a large field for the U12 age group, but as we wait for Rennie Street to be completed, the teams have to be prepared to run that extra mile. The first half was all Acton, as the menacing runs of Luke Otten and Brett Banks provided chances galore. But the

ball whistled past the post, went over the bar, or was gallantly saved, until a very lucky bounce (or unlucky, depending whose side you are on) evaded the HEADS goalie's grasp and Acton took a 1-0 lead.

As Acton took a 3-1 lead at half time, Luke Otten, Matt

Doraty and Eric MacCallum all found the goal (but not the net: the nets were taken away by the school on the last day: perhaps the Acton Villa equipment people can find something in their storage room for the next game).

The second half saw

breathtaking goal-mouth action and after Acton took a 5-1 lead, the visitors started to push in valiant fashion. A final score of 6-3 was an excellent result for the claret and sky-blue Otten boys, who now look forward to playing against another Hillsburgh team this week.

Acton Villa posts 1-0 victory over Milton

Last Thursday the Acton Villa team travelled to Milton, where in only her third game, goalkeeper Tracy Singels posted the shutout in a 1-0 victory for Acton.

In a defensive first half where no goals were scored neither team mounted any serious scoring threats. The action picked up considerably in the second half and shortly after the 70th minute Singels came up with her finest save deflecting a ball

over the crossbar that seemed to be destined for the top corner. The Acton team were energized and shortly thereafter midfielder Erica Mills laid in a perfect pass to speedy forward Nicole Pitre who found the top of the net for her first goal of the year, preserving Acton's undefeated record at 5 wins and 1 tie.

Tonight (Thurs., July 5) Acton is home to Bolton 1 at the high school.
