LEGION NEWS

By James Hayes
P.R.O.

Comrades,

This Sunday, August 26 is our Family Fun Day and the Gary Munday Memorial Fishing Derby. It is going to be extra special this year. We have added new games for both kids and adults, with great prizes and draws. Then we will be presenting for the first time the Gary Munday Memorial Trophy.

Legion members who knew Gary will be aware of his dedication and love of both the legion and fishing. The first 50 kids to arrive will receive a free loot bag. Lots of good stuff! Our expectations are that this year the attendance will be even higher than usual.

Hope to see you there with your kids, or grandchildren. The Fishing Derby starts at 12 noon and the games and BBQ start at 1 p.m.

The Branch and Ladies' Auxiliary are hosting the annual visit of the Sunnybrook Veterans on Sunday, September 9. All Branch members are invited to come and welcome our guests. The Branch will be open from noon until 6pm.

SPORTS:

The Acton Ladies Dart League is starting up shortly. Come on down on Wednesday Sept. 5 or 12 to sign-up, or put your name on the sheet on the notice board and we will call you. League play starts on September 19 through to April.

Ladies, this is a fun league, we play for fun. We are here to enjoy ourselves, and all are welcome.

COMING EVENTS:

Legion Week, Sept. 16-20 – might be a good time to bring some friends to the Branch to share the facilities you enjoy all the time.

District B Convention, Oct. 12-14 – hosted by Branch 197.

Honours & Awards, Sunday Nov. 4.

Yours in comradeship,
Jim Hayes,
Branch 197 PRO.

Acton air cadet enjoys air show in Oshkosh Wisconsin.

Acton air cadet at 'amazing' U.S. show

Oshkosh Wisconsin is home to the Experimental Aviation Association (EAA) museum where an amazing air show is held every summer. Visiting Oshkosh this summer was one of the most amazing experiences of my life.

I am Warrant Officer 2nd Class Chris Legge, and I was selected to go to the Oshkosh National Exchange Course this summer. Forty-five cadets and four escort officers from across Canada participated in this trip from July 13 to July 31.

The Oshkosh Exchange provides an opportunity for cadets to participate in various aspects of aviation that are not covered in their home squadron training programs. It is also an opportunity for cadets to meet their colleagues from other

provinces while visiting another country as part of their education in cultural and international affairs.

Over 10,000 pilots fly their aircraft to EAA to view this amazing air show called "Air Venture." During the seven days of the show the airport at Oshkosh is the busiest in the world. While most air shows provide entertainment for two to four hours, this show provided thrills for three or four hours per day for a whole week. While some acts performed daily, there were special theme segments each day as well.

The Royal Canadian Air Cadet Oshkosh exchange is reserved for those cadets who applied and qualified for a flight scholarship but did not obtain a placement this year. Did I mention the trip was free? Not only was it free but we received a training bonus just for going; that's right you get paid to meet new friends, meet pilots, and best of all view one of the most spectacular air shows the world has to offer.

The Royal Canadian Air Cadets 197 Typhoon Squadron parades every Tuesday evening beginning at 6:45pm during the school year. If you would like to find out how you can be apart of this amazing youth program for ages 12-17 come to our opening night September 11.
