Bolton leaves field in funk Caledon repeat champions

By Chuck Tysoe

Many front-running teams have met the match on Acton's soccer fields over the years that league Cup finals have been hosted by the Acton Soccer Club. Some thrilling soccer has been played as bottom-dwelling, or otherwise ill-favored teams, found a way to pat it together for a championship win.

Last year Caledon clawed their way from behind to stun undefeated, untied league champion Bolton Wanderers with a late second-half goal to take the Peel Halton Soccer Association Boys U-16 championship, 2-1.

Sunday at Acton High School the teams met again; Caledon earning the championship under very different circumstances. Last year a fatigued Bolton side and was unable to cope with the hardworking Caledon team. This time they authored their own misfortune, giving up a 2-0 lead and the game abandoned by the referee with the score 2-2, only minutes from

TOO FAST AND FURIOUS: Flying tackle by a Caledon Defender shows the intensity of Sunday's Peel Halton boys Under 16 soccer final. Game ended early at 2-2 due to spectator interference. Bolton forfeited the match.—Chuck Tysoe photo

full-time and sudden-death extra time.

The meltdown was begun after officials conferred for several minutes about an on-field scuffle. The restart was delayed by uncertainty about the spot of the ball, at which point Bolton fans and coaches began to verbally abuse and eventually physically threaten game officials

and the Bolton team left the field. It left the referee with no option but to end the game with Bolton having forfeiting the result.

Good game

Until that point, spectators had been treated to an intensely fought, well-played and entertaining soccer both committed to winning. Bolton opened the scoring

early in the match, heading in a corner kick. Ten minutes into the second half, they scored again to put Caledon on the back foot. But Caledon soon answered, a long goalkeeper clearance sending No. 18 into the clear. The same player scored again in the 25th minute, followed by a further almost 20 minutes of back-and-forth action in

Ladies league

Hole-in-one at Acton Golf North

On Friday, August 17, Pat Stirling a member of the Ladies' League, had a "hole in one" on the par 3, 18th hole at Acton Golf North. This is her second hole in one her first at a different golf course.

The final round of the club championship was held on Tuesday, Aug. 21. Betty Kelly won "A" Flight, Dorothy Currie "B" Flight, Dawn Hammond. "C" Flight and Dianna Baker "D" Flight.

Julie Conroy managed to get an Eagle on the par 4, 15th during the second round of the championship.

Earlier this season, Annamarie Lowin and Sally McCoy had Eagles, one on a par 4 and the other on a par 5.

which neither team could break the tie.

The ending was a bad show considering the quality of soccer played by the eight teams involved over the weekend. The two Acton teams were unable to get by the round robin, leaving Caledon, both Bolton sides and Rockwood to fight out Sunday morning's semi-finals. Both Bolton teams put on a good contest ending in a 3-1 score, and Caledon handily getting by Rockwood

3-0.

Acton's Denny's Insurance boys played some of their best soccer of the season, and deserve credit for their hard work to end the season.

The second Acton team, Ogre Sports, also deserve praise for their wonderful sportsmanship in the Saturday's final game, a close 4-3 win over Grand Valley in which the boys went out of their way to make the game a fun experience for both teams.

Urban Yard Waste Collection

Yard waste materials will be collected **every other week** on the same day as your Blue Box until December 7.

Acceptable materials include yard and garden trimmings; pumpkins; fallen fruit from trees and tree trimmings.

Grass clippings will not be collected with yard waste or garbage. Please "grasscycle" by leaving grass clippings on your lawn.

Use only paper yard waste bags, or labelled, reusable, rigid containers with no lids. Yard waste labels for reusable containers are available at no charge from Halton Region.

Containers must be no larger than 125 L (27 imperial gallons) or 23 kg (50 lbs).

Brush must be tied in bundles no larger than 1.2 m (4 ft) by 0.6 m (2 ft) wide, with branches a maximum of 7.5 cm (3 inches in diameter).

Do not use cardboard boxes or Blue Boxes for yard waste collection. Don't put your yard waste in plastic bags, they are not accepted in the yard waste program. Plastic pots, flower markers or plant tags do not go in your yard waste. Plastic does not decompose and reduces the quality of the final compost product.
