# Acton assaults concern police

Police have arrested an Acton teenager in connection with an alleged drunken brawl near the railway tracks on Monday. Police allege a man was drinking on the tracks and became angry when two pedestrians on Eastern Ave. confronted him. One victim was struck in the face and the other was hit on the arm. Police contend the attacker ran away, but say officers caught up with him later that night, while investigating a report of a woman lying on the ground.

Bradley Mills, 19, is charged with assault, failing to comply with the terms of a probation order, resisting arrest, obstructing police and escaping custody. He was taken into custody to await a bail hearing.

What began as an argument at Tanners Restaurant early Sunday ended with one man's arrest on assault charges. Police say two customers were involved in a minor disagreement. One man left, but returned a few minutes later and sucker punched his opponent, who was left with a broken jaw, police allege.

Eric Lavallee is charged with assault causing bodily harm.

#### Officer Charged

An off-duty Peel Regional Police officer from Georgetown has been charged with failing to stop at the scene of an accident on Derry Rd., west of the Sixth Line on Thurs-

## Police/Fire Report

day, Sept. 6 at 2:30am.

Police said they were called to a single motor vehicle roll-over and found an injured man in the passenger seat of a black 2002 Chev Cavalier. It was determined the car driver had left the scene.

Investigation indicated the car was travelling east on Derry Rd. when it entered curves just west of the Sixth Line. It skidded and left the road rolling into the north ditch. The 30-year-old male was taken to Milton hospital for treatment of a concussion and minor injuries.

Shortly after 12p.m. the same day while Halton police were at the Milton hospital dealing with the passenger, the registered owner of the Cavalier appeared to be treated for minor injuries. He was arrested there.

Charged is Justin Vanderbrink, 25, of Georgetown. He has been working as a Peel Regional Police Patrol officer for five years. He has been suspended.

#### Fraud Schemes

Halton Regional Police have been receiving numerous complaints from citizens within Milton and Halton Hills that they are receiv-

ing mailings of "Nigerian Frauds" at their homes. The frauds entail the use of an advance fee scheme defined by police as follows:

An advance fee fraud is a confidence trick in which the target is persuaded to advance relatively small sums of money in the hope of realizing a much larger gain. Among the variations on this type of scam is the Nigerian Fraud.

Halton Regional Police suggest the best course of action when receiving any type of communication of this nature via mail, Email, fax etc is not to respond. The information can be forwarded to the nearest division of

the Halton Regional Police Service or Phone Busters at 1-888-495-8501 which is the Canadian Anti-Fraud call centre.

Any questions can be directed to the One District Fraud Unit at 905-878-5511 ext 2418 Detective Constable Ken Best.

#### Break and Enter

An unlocked storage shed on Churchill Road S. was broken into between September 7 and 9. A man's Raleigh bicycle was taken valued at \$400.

A 1996 Saturn car parked on Churchill Road, N. had \$100 damage done to its driver's mirror between 8a.m. and 2p.m. on September 8.

## Forum on Town's Green Plan hears experts' presentations

In keeping with Halton Hills Council's commitment to contribute to the achievement of a healthier environment, Mayor Rick Bonnette has assembled a Mayor's Green Plan Task Force for the purposes of preparing a Green Plan for the Town of Halton Hills.

In an effort to learn form

other municipalities, a "Municipal Experts Forum" was held at the Town Hall on Thursday, Sept. 6. Members of the Green Plan Task Force, senior Town management, Region of Halton staff, school boards, business community, community groups (e.g. P.O.W.E.R.), local media, and members of the public were in attendance.

Highlight of the Forum were four excellent presentations by municipal experts from the Towns of Caledon, Oakville, the City of Pickering and the Region of York. The presentations focused on municipal initiatives and best practices as they relate to environmental strategies and sustainability frameworks.

Information shared by the municipal experts will be used by the Task Force in preparing a Green Plan for the Town of Halton Hills. The Green Plan will be finalized this November. It will focus on actions that are "practical, affordable, reasonable and enforceable/educational."

The Forum was taped by Cogeco Cable and is scheduled to be aired on Cogeco on the following dates:

Thursday, September 13, at 1pm, Thursday, October 4, at 9pm, and Friday, October 5, at 1pm

Interested in learning more about the Mayor's Green Plan Task Force? Contact Damian Szybalski at 905.873.2601 ext. 2289 or at damians@haltonhills.ca.
