## New village constable

As Acton grows and changes, so does your Halton Regional Police Service, which is tasked with the duty to protect the lives and property of the residents, businesses and visitors of Acton. Community Policing Programs, such as the Village Constable Program originally served to better represent the Police Service within a smaller, denser population, usually a Downtown business area where a foot patrol was desired. Though the name stays the same, the role and office of the Acton Village Constable is changing to better serve the Community of Acton. Yes, we have relocated to a new space at 315 Queen Street East, Unit #3. This new office space offers so much more than our previous location, notably, a community boardroom, private interview room, restroom, as well as other police tools and equipment that will better allow the Police Officers assigned to Acton to do the bulk of their work while remaining in the Town. We hope to have community volunteers available at the front desk area to accommodate common inquiries and to make available information of crime and other community services.

By now, you may be wondering "Who is this guy writing about 10 Division and the Acton Village Constable?" You may remember me from such Halton Regional Police Services positions as 1 District Community Support and Crime Prevention, or Acton Patrol 2003 to 2004, and now your new Acton Village Constable. I have replaced Constable Felske who has moved into an investigative Portfolio. Here is what I can offer to the residents, businesses and visitors of Acton. I am a qualified breath technician and primary Halton Regional Police Service liaison to the MADD Halton/Peel Chapter. I take great interest in reducing the incidences of drinking/drug and driving related offences on our community roads. I am a bicycle officer, qualified to conduct bicycle patrols, which I plan to do as often as possible in and around our Downtown core. I am trained in the concepts and theories of Crime Prevention Through Environmental Design, or CPTED for short. Through my previous assignments, I have a working understanding of many of our communities committees and service providers. I look forward to hitting the pavement and seeing you on my beat.

You may contact me at [ActonVillageConstable@hrps.on.ca](mailto:ActonVillageConstable@hrps.on.ca) or by calling 519-853-2050. However, should you require a timely Police investigation or Police action you must call 905-878-5511. Please reserve the 911 service for emergencies such as crimes in progress, personal injury and illness.
