### Health Care Improvements in Rockwood and Erin

Continued from page 13

practicing here.

The EWFHT was originally a project of EWAG. Recently, the EWFHT was incorporated as a separate non-profit corporation which will continue to work in close partnership with EWAG and other relevant community agencies. The Town of Erin and the Township of Guelph/Eramosa have already committed capital funds to assist in securing appropriate facilities to house this initiative.

An executive director has been hired and the EWFHT is well on its way to opening its doors early in 2008. Those who would like to be involved in this project, there are four specific ways to do so:

1. Become a rostered patient at the Erin Family Health Clinic. Dr. Bull, Dr. Neilsen and Dr. Lennox are currently accepting new patients, and funding for the EWFHT is tied directly to the number of patients enrolled in their practice. The team hopes the medical practice in Rockwood, currently staffed by Dr. Hosdil, will soon be able to accept new patients as well, as recruitment of a new physician is actively underway.

2. Volunteer as an EWFHT director. A commitment of six to eight hours per month

#### Trails Committee Update

Mike Curtis, head of the Kissing Bridge Trail and the Guelph Hiking Trail Club spoke to the Township's Trails Committee about Guelph's trails, use of public lands versus private, guidebooks and newsletters, and other aspects of being a trail club.

Craig Chamberlain, land manager of the Ignatius Jesuit Centre, discussed their experiences of trails organizations, including insurance, land uses, maps and hours of operation, and considerations for retreat participants. Breen spoke about linking Eden Mills and Rockwood with a trail. 2008 Budget considerations were requested

is required to sit on the board. Someone with a background in finance, real estate development and/or large-scale fundraising would be especially helpful.

3. If you or someone you know is a health professional interested in practising in Erin or Rockwood, let EWFHT know. They will be recruiting for physicians, a nurse practitioner, a mental health worker and a dietitian very soon.

4. Consider making a financial contribution to the EWFHT. Although this initiative is primarily funded by the Ministry of Health, not all costs are being covered.
