Strategic plan on line

Halton Region's strategic Plan is now available and online at www.halton.ca/strategicplan. Halton Council approved the Strategic Plan earlier this year after a process involving Council workshops and public consultation.

The strategic Plan represents Halton Council's vision for the future and sets council's priorities through a series of actions to achieve the goals which are then reflected in the annual Standing Committee Plans.

"It is important for the public to be able to readily access the Strategic Plan and Standing Committee Plans because these documents guide Council's decisions on the fiscal, policy and operational matters that directly affect the people of Halton," said Halton Regional Chair Gary Carr. "The status reports show the progress being made in the priority areas Council has identified and

we encourage people to have a look at them as part of our commitment to transparency and accountability."

All of the documents can be viewed on the Region's website at www.halton.ca/strategicplan and print copies of the Strategic

Plan and Standing Committee Plans can be requested by contacting Access Halton in person at 1151 Bronte Road, Oakville, by phone at 905-825-6000, toll free at 1-866-4HALTON (1-866-442-5866) or by email at accesshalton@halton.ca

44 MAIN STREET NORTH
ACTON, ONTARIO

Erin man faces charges after collision, drug bust

A 47-year-old Erin Twp man faces a "host of charges" following a two vehicle crash at the intersection of Wellington Rd 124 and the Sixth Line of Erin at about 6:30 p.m. on Tuesday, Oct. 23.

Wellington OPP said a 2002 Pontiac Aztec struck a Dodge Ram pick-up that failed to stop at the stop sign on the Sixth Line. The pick-up fled the scene while the Pontiac's driver, Wendy Yundt, 50, and her 10-year-old son were taken to Georgetown hospital where they were treated for minor injuries and released.

Police continued their investigation and located the pick-up and driver at his Sixth Line, Erin home. As they checked the driver for injuries, officers located a suspected marijuana grow operation inside the home.

Wellington OPP's street crime unit and West Region OPP's drug unit searched the home the next day (Wed.

Oct. 24) and seized approximately 155 marijuana plants and clones, lights, scales and paraphernalia worth about \$107,00 in street value.

Ronald James Kutynco, 47, of Erin Twp. faces four

charges from the collision and three charges under the Controlled Drugs and Substance Act. He was scheduled to appear in Guelph Court yesterday (Wed. Oct. 31) to answer to the charges.
