

Change of Command for Typhoon Squadron

197 Typhoon Squadron celebrated a special occasion on Tuesday November 6th when a change of command ceremony took place. Captain Richard Chapman completed four years as Commanding Officer and the squadron banner was passed to Captain Reg Cooke.

On hand for the ceremony was Major F. Phillips, Area Cadet Advisor to 197 Squadron based at our regional detachment office in Toronto and Major Retired Robert T. Holliday, Air Cadet League representative.

The Parent's Sponsoring Committee, Staff and Cadets presented Captain Chapman with a token of appreciation for his leadership over the past four years and recognition was also provided by Detachment Commander Major Burton in the form of a certificate of appreciation. Captain Chapman will continue to participate in squadron activities by heading up ground school instruction which prepares cadets for applications to the Royal Canadian Air Cadet Glider Training Centre and Power Training Camps through scholarships offered by the Air Cadet League of Canada.

Captain Cooke, who has been with the squadron for several years, most recently in the role of Deputy Commanding Officer and Administration Officer, looks forward to moving the efforts of 197 Squadron forward this year. In addition to Chapman, working under the leadership of Cooke are Lt Ken Mackenzie – Supply Officer, 2 Lt Kati Nuttall

Inspection at the Change of Command

– Administration Officer, 2 Lt Scott Legge – Training Officer as well as Civilian Instructor Jeffrey Carr – Music Director. The Squadron's cadet leaders include Warrant Officer 2nd Class Chris Legge, Flight One Commander, Flight Sergeant Jameson Gallinger and Drum Major, Flight Sergeant Garrett Nuttall.

Tuesday evening's CO's Parade also featured 19 Cadets who received recognition of the completion of training levels and several promotions were granted. Steven Slowka earned the rank of Sergeant, Christine Scovell, Mary DeRabbie, Francois Dionne, Chantel Foley and Kevin Cox now hold the rank of Flight Corporal. Rising to the rank of Corporal were Derek Hilts, Derek Geipel, Kyle Linnard and Randy Phelan. Matthew Fritz also achieved the rank of Leading Air Cadet. The squadron's new cadets

all looked fine in their new uniforms which had been issued just recently.

The squadron participated in the Remembrance Day Parade on Saturday November 10 and will take part in the Santa Claus Parade in Saturday, November 17. Cadets have now begun the process of applying for summer camps to be held at various Cadet Summer Training Centres across the country for the summer of 2008. Nine cadets have requested consideration for National Camps including Power Pilot Scholarship, Senior Leadership Course, Athletic Instructor Course, Survival Instructor Course, Advanced Aviation Technology Airport Operations Course and the Oshkosh Trip. Applications for national courses must be completed by mid January.

197 Squadron is actively recruiting new cadets who are currently in grades 7

and 8 (minimum age is 12). Anyone interested in joining, or just finding out more about the Canadian Cadet Movement is encouraged to join us on Tuesday evenings at 197 Branch of the Royal Canadian Legion on Wright Avenue, Acton. We parade beginning at 1845 hours (6:45 PM) until 2100 hours (9:00 PM) during the school year.

New cadets will have the opportunity to participate in exciting activities and

learn about aviation and citizenship. There is no cost to become an air cadet as the uniform and all LHQ training is provided free of charge. Cadets also have the opportunity to attend summer camps, also at no cost to the cadet.

The Parents Sponsoring Committee, Chaired by Karen Foley and supported by Treasurer Deidre Feindel, do however appreciate the assistance of all parents in fund raising activities.

Thanks mayor....

could be self financing. The Mayor at that time told me he would pass it on to the hydro for evaluation. This is many months ago.

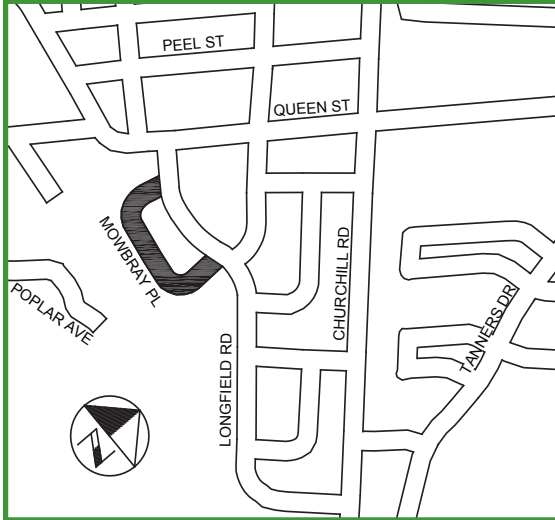

I have been unable to contact the Mayor by e-mail, and would like to know what the hydro says, if anything.

John Shadbolt.
