ACTON SENIORS' RECREATION CENTRE

BY JULIE CONROY

The Salute our Veterans dinner last Friday was a great success, and three members of the Acton Seniors Centre and one from Georgetown (who are vets), proudly paraded in behind Bryan Alder who carried the Canadian flag. The Acton Legion kindly lent us a large picture the men who served in WWII who were from Acton, plus some other memorabilia. I would personally like to thank Harold Smith for trusting me with his album, and all the Vets who dug through their pictures to find a photo of themselves in uniform.

Everyone enjoyed the roast beef dinner, followed by pie, and Greg Ball won the 50/50.

Door prizes were won by Jim Pearson, Marion Pearson, Real Tetreault, Marg Spear, Helen Fowler, Bonnie Ball, Beryl Timmins and Isabel Nicholls. The Royal City Academy of Irish Dance from Guelph, with their teacher Tara Tarwell, were a delight and enjoyed.

Tickets for the annual Christmas Dinner are on sale at the front desk. Only a limited amount can be sold, so make sure you get yours early so you won't be disappointed.

The Bazaar committee is busy preparing for the Bazaar on Saturday, Nov. 24, and we will have lots of delicious baking, gifts and crafts suitable for everyone, Grannies Attic will have some great treasures. Lots of draws including Santa's Sleigh full of goodies, and just what you need to take the weight off your feet, our delicious tea with an assortment of sandwiches, and home

made goodies and a refreshing cup of tea, or coffee.

A message from Jane, our program chair: She asks you to join Joe Lafontaine at the Acton Seniors Centre on Tuesday, Nov. 27 at 1:30 p.m. for a fun afternoon, to learn about no-sugar added chocolate, the health benefits of dark chocolate, and the process of making chocolate. There will be a showing of what Debora's chocolate have to offer for the Christmas season, and of course samples! We are looking forward to seeing you.

The carpet bowlers were happy to see 13 bowlers out last Monday. Dorothy Purkis's Brown team beat Marg Neilson's black team 16 - 6, but they all had fun as usual.

Everyone buys cards, calendars and wrapping paper for Christmas. We have a great catalogue with all of these items listed at a good price. It's our newest fund-raising idea.

This is instead of the annual cheese sale held annually for the past few years.

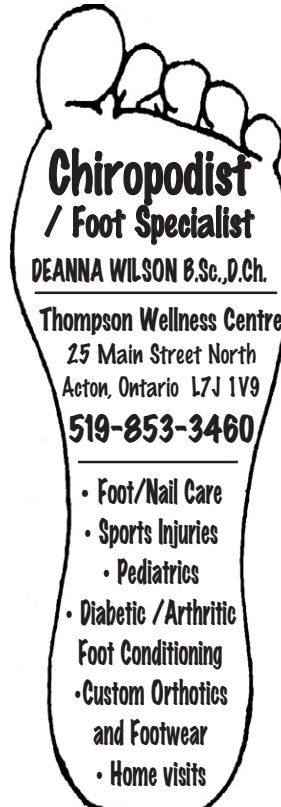

The next Scrap Booking class will be on Nov. 26 at 6:45 and the next Paper Tole class on Thursday Nov. 29 also at 6:45 p.m. Both great ways of keeping those memories alive and those hands busy creating treasures for future generations.

I was asked to mention the next Fresh Good Food Box delivery will be at Links2Care on Nov. 27 with pick up from 12:30-3 p.m.

Bill Krever, President and C.E.O. of the Don Mills Foundation for Seniors, was at the Centre last week explaining the importance of

a survey, "Building Bridges Tomorrow." This is a major project being conducted by the Older Adult Centre Association of Ontario with a grant from the Trillium Foundation to access the future needs of 55 plus people in Ontario. It is expected to take three years to gather all the information. It will cover small towns, rural areas, isolated spots in Northern Ontario as well as the larger cities.

If you are asked to fill out a survey please take the time to do so. We should receive some feedback quite quickly from our surveys, so it will help assess the needs of our Centre as our membership grows

Delighted by change

Continued from page 13

All veterans can be proud of their efforts as they considered every possible way to be respectful and militarily correct before they made any changes. The Legions and even the most senior Command in Ottawa were asked for advice and gave approval.

Now public attention is focused on the memorial by the fluttering banners.

I'd like to think it helps us to assure them that we do not ... "break faith with us who die... And sleep in Flanders fields..."

Yours sincerely,
Sytske Drijver

George says thanks

To the editor,

I would like to thank my family and co-worker for the retirement parties that they had for me on a recent Friday and Saturday. Many thanks to all those who offered congratulations and thanks as I walked the street for the last time as a letter carrier. I've enjoyed my rapport with the citizens of Halton Hills these past 35 years and I expect to see everyone around town for many years to come.

To the many people of Acton that I have had the privilege to meet and get to know through my job and my activities around town - I say a big thank you.

George Henderson
