### IN MEMORIAM

**LUTY, Inez**  
Oct. 23, 1923 - Jan. 1, 2007  
In loving memory of a dear wife, mother, gramma, & great grandmother.

*As we look upon your picture  
Sweet memories we recall  
Of a face so full of sunshine,  
A smile for one and all  
Though your smile is gone forever;  
And your hand we cannot touch;  
We shall never lose sweet memories  
Of the one we loved so much.  
Forever loved  
Your family*

In loving memory of our dear friends:

**Lori Swackhamer  
and  
Troy Hunter**

*December 25, 2002  
They left so suddenly,  
their thoughts unknown.  
But left us with memories,  
we are proud to own.  
So treasure them, Lord,  
in your garden of rest.  
For when on earth,  
they were the best.*

Love

*Ernie and Lynn,  
Danny & Nicole,  
Dawson and Natalie  
Dana, Dave, Ethan and Evan*

In loving memory of our dear, mother, grandmother (Nan) and great-grandmother.

**Virginia Medland**  
December 14, 2000

*If tears could build a stairway  
And memories a lane,  
We'd walk right up to heaven,  
And bring you home again.  
Forever in our hearts*

Love you

*Ernie and Lynn,  
Danny, Nicole,  
Dawson and Natalie,  
Dana, Dave, Ethan and Evan*

Michael Chong who handily defeated all comers to be re-elected. Chong created a furor in 2006 when he resigned from Cabinet to avoid voting on the Prime Minister's decision to recognize Quebec as a nation within unified Canada.

• Acton mourns the death of The Reverend Emrys Jenkins, 76, who served as pastor at Churchill Community Church for 26 years.

• Acton residents are tops when it comes to the three Rs - 83 per cent of homeowners use their Blue Boxes and GreenCards, helping to reduce the number of truckloads of waste at the landfill by 13 per day.

**NOVEMBER**  
• The gym at Robert Little School erupted in wild cheering and clapping when the principal interrupted the regular assembly with the just received news that the

school's float was judged the best overall in Saturday's Acton Santa Claus parade

• From grainy black and white photographs of the bucket brigade that fought Acton fires in the mid-1800s to the 1927 Studebaker that served as Acton's first fire truck, memorabilia that defines fire safety in Acton will soon have a permanent home. The Town's budget committee gave preliminary approval for plans for a \$161,000 addition to the Churchill Road fire station that will house a heritage museum. The Acton Fire Fighters Association has agreed to raise \$40,000 for the project.

• A 38-year-old Toronto man lost a leg when he was run over by an eastbound, three-engine CN freight train in the Fifth Line - 22 Side Road area of Halton Hills. The man's other leg was crushed by the train. Halton police said the man was lying unconscious across the track with his legs draped over the rails, and although he train crew spotted him, they were unable to stop the train in time and ran over him.

## Pesticide use...

Continued from Page 2  
the environmental groups P.O.W.E.R. (Protect Our Water and Environmental Resources) and H.O.P.E (Healthy Options for People and the Environment) said Bill 64 is touted by health and environmentalists as the strongest cosmetic pesticide legislation in North America.

Both Christine Upton of H.O.P.E. and Leslie Adams of P.O.W.E.R. offered their help in educating citizens about the new legislation, and thanked Mayor Rick Bonnette for keeping his Green Plan promise to take a proactive stance and encourage the province to move forward with its commitment to ban the use of pesticides.

"We're a ground water-based community and we hope to stay that way and when you're looking at the

impacts of run-off from lawns or sports fields that have been treated with pesticides, this enters our drinking water supply... and we are drinking these toxins," Leslie Adams of P.O.W.E.R. said, adding the use of pesticides is more deadly than smoking.

Staff's report on the implications of Bill 64 will be sent to the Town's Sustainability Advisory Committee and the Town Environmental Advisory Committee for review and comment.

Staff will report back with potential budget impacts arising from the new legislation and on a partnership with Sustainable Halton Hills to implement a naturalized program at the Civic Centre as a demonstration project on the impact of not using pesticides.
