## BIA BEAT

Well, Wharton Willie saw his shadow last Monday, February 2, so I guess it's six more weeks of winter. But wait a minute, check your calendar and six weeks brings us to March 21, the first day of spring, hmmm. We live in Canada folks and we have to have winter so why not enjoy it? Try skating at the MSB School outdoor rink (we may not have it in the future if the Halton School Board have their way). Go public skating at the Acton Arena or the outdoor rinks on Fairy Lake. Believe it or not, this year's snow fall is the second highest ever recorded and

it's not over yet! The Town of Halton Hills maintenance staff are doing an excellent job of snow removal as usual. Thanks guys!

Valentine's Day is just around the corner! Have you thought of something for that special someone in your life? Downtown Acton offers over 11 restaurants and eateries for your dining pleasure offering everything from pizza, fish and chips, pub fare, subs, wraps, Greek and Thai Cuisine. We also have flower shops, greeting cards, collectibles and boutiques. Why not go for a day at one of our spas or

your favourite salon for a makeover? Please don't forget to support your local merchants, and SHOP LOCAL, SHOP SMART! Money spent with local businesses stays in the community. Local merchants provide better customer service and small businesses give money of their proceeds to local charities like your child's sports teams and service clubs. If we don't support our local businesses who will?

And remember,
