

Cancer Society says heartfelt thank you

To the editor

Thanks so much to all those people who supported the annual Canadian Cancer Society daffodil sale. Daffodils are the symbol of hope for the Canadian Cancer Society and a reminder to everyone of the need to raise money in order to fund research, raise awareness about cancer and provide support services to those people who are living with cancer and their families.

Thank you to all the volunteers who helped with this event – we would not have a successful sale without their dedication! We appreciate the Acton Branch of the Royal Canadian Legion for allowing us to store our daffodils at their facility and are grateful to Sobey's for giving us the opportunity to sell our daffodils at their store. The New Tanner provided wonderful publicity and we certainly appreciate your ongoing support.

Sincerely,
Cathy Gerrow
Acton Branch Daffodil Coordinator
