Wellington O.P.P. Report

Drinking, driving

A 27-year-old Guelph Twp. woman was arrested and faces a charge of drinking and driving with more than 80 mgs on Saturday, Aug. 8. Wellington OPP officers stopped the driver of a 2006 Chevrolet on Alma St. in Rockwood and discovered she had been drinking, failing a roadside screening test. She's to appear in Court Sept. 21.

Assault charge

A 40-year-old Rockwood man was arrested and faces charges of two counts of assault and three counts of failing to comply with bail conditions on Saturday, Aug. 8 following a report of a domestic assault at a Rockwood residence.

Police said the victim, a 41-year-old woman, was assaulted by her boyfriend. No medical attention was sought. Alcohol was a factor.

Over curfew

Officers stopped the driver of a 2003 GMC Yukon on Highway 7, near Wellington Rd. 29 of Guelph-Eramosa Twp. On Sunday, Aug. 16 about 10:42 pm. During the investigation officers found

the driver to be bound by a Halton curfew from 10 pm until 6 am.

A 22-year-old Halton Hills man has been charged. He is to appear in Guelph court on Sept. 21 to answer to the charge.

Domestic disturbance

Sunday, Aug. 16 at about 11:57 am Wellington OPP officers received a call of a domestic disturbance at a home in Erin Twp. Investigators responded and spoke to the caller who reported hearing a female calling for help. When the 41-year-old man went next door to check, he was punched by the male resident of the home, police said. Officers responded and found the 29-year-old woman had been in an altercation with her 24-year-old boyfriend. It turned aggressive and she was knocked to the ground. Neither persons required medical treatment.

Wellington OPP have charged a 24-year-old Erin Twp. man with assault (2 counts). The accused is to have appeared in Guelph court on August 17 for a bail hearing.

HAIR RAISING: The current campaign to get Councillor Jon Hurst to get his locks lopped and beard shaved is really no something new. His "untidy" look caught the eye of these OPP officers during the original Terry Fox Run, which Jon has been devoted to for decades. Now the BIA has joined the recent campaign. Story on Page 13.

New subscribers use '929'...

bers beginning with the new 226 area code have been assigned since October 2006.

Some telephone carriers are running out of 519 area code phone numbers and are issuing new phone numbers in the Acton area with a 226 area code and some with a 929 ex-

change.

The CNA issues central office codes - 853 in Acton - in blocks of 10,000 to the carriers and CAN director Glen Pillely said growth has exhausted some of those supplies.

"So, we added a new 226 area code over top of the 519 area code which is why they have to dial ten

digits there," Pillely said in an interview last Thursday.

"It looks like carrier ran out of 853 line numbers and is getting new line numbers out of the 226 area code with a 929 exchange," Pillely said, adding callers from the new 226 area code have the same dialing power as those in 519.
