SWEET GIFT: The Village Sweet Shop helped 17-year old Mackenzie Queen get to the Team SickKids World Transplant Games in Australia. Queen, a heart transplant recipient, competed in the games last week. Shop owner Leah Youngblut (shown with Queen) was so inspired by Queen's story that she donated \$500 from sales of Gold Medal Ribbon Ice Cream to help her get to the games.

Wellington O.P.P. Report

Drinking, driving

On Sunday, Aug 30, about 3:28pm an OPP officer received information of a suspicious auto parked on the Eighth Line, north-east of Hillsburgh. Officers located the parked 2003 Honda SUV with a female in it. Police spoke with the female driver and found she had been drinking. Officers seized an open bottle of brandy. Police gave the driver a demand for the Roadside Screening Device test and the driver refused to comply.

A 49-year-old Erin Twp. woman has been charged with refusing to provide breath samples. She is scheduled to appear in Guelph court on October 5.

Domestic assault

Wellington OPP officers responded to a

domestic disturbance at a home in Guelph-Eramosa Twp. on Thursday, Aug. 27 at about 11:18pm.

Officers spoke to the female caller who reported getting into an argument with her husband. She stated the argument had escalated and she was assaulted by her husband. The victim did not require medical treatment, Police said. They then checked the home and located a .22 calibre Cooney rifle belonging to the husband which was not stored properly.

Charged is a 72-year-old Guelph-Eramosa Twp. man with assault and careless storage of a firearm. The accused appeared in Guelph court on Friday, August 28, for a bail hearing.

Gravel shoulders driver menace

We're on the threshold of the Labour Day weekend and Wellington OPP is concerned that drivers respect the condition of the roads especially those with gravel shoulders.

Even the more experienced drivers can find themselves unexpectedly on the shoulder of the road. This can be a dangerous area because of the poor traction gravel has with your wheels and can cause you to lose control of your vehicle. Drivers who react abruptly steering, or braking too hard may lose control. This is a com-

mon cause of collisions, police state.

One of the warning signs of being on the shoulder is the difference in sound from your wheels, compared to that of pavement. The vehicle will sound louder. Drivers will also find the steering wheel feels loose and difficult to steer.

Drivers who may find themselves in this situation, should simply grab the steering wheel with both hands and take their foot off the accelerator, then slowly and smoothly steer back onto the paved portion of the roadway, the OPP says.
