

# MSB BBQ and Silent Auction to purchase SMART board for school

On Thursday, September 24, MSB Public School will be holding a "Let's Get Smart" BBQ and Silent Auction in conjunction with its annual Open House to raise money for the purchase of a new interactive teaching tool called a SMART Board, an accompanying laptop computer and a data projector to complete the set.

SMART boards are a modern and

fun way for students to learn in the classroom. They have become almost standard equipment in new schools. They encourage children to participate and create like never before from kindergarten children learning their A.B.C.'s to our grade 8 students preparing for high school.

The MSB School Council is asking for public participation in the

community auction with a donation of product, service(s) or time that could be auctioned off on September 24. They'll be happy to arrange for pick up of the product or create a special certificate for the winner until arrangements can be made.
