Next Week Is Legion Week, Why Not Bring A Friend Down ?

Ladies Auxiliary

We extend our deepest sympathy to our comrade Amy Newman for the loss of her step-father.

Our September meeting was well attended. Past President, Peggy Harris performed the installation of our 2nd Vice President Teresa Uiterwyk.

Initiation of our new member Shannon Mills also took place. Shannon received a warm welcome from the members.

Sunday, September 13, Sunnybrook Veterans visit to the Branch was overwhelm-

ing. A warm welcome from our ladies and Branch members was given to our veterans. It would have been nice to have had a better turnout from our ladies.

Entertainment by Kent Locker was enjoyed by all in the games room. The veterans enjoyed a delicious meal in the Ladies Lounge overlooking the lake and also the view of the plane. Thank you to the members for making the lounge look so perfect. The veterans received gift bags from the Branch. Flowers were given to the wives of the veterans.

A big thank you to Joan and Dave Maloney; thanks to all the ladies and gentlemen for making this day so very special.

Sue Poulsen, our sick and social convenor is planning a fall social event. The proposals are: #1 Mohawk Race Track; #2 Stage West and lunch buffet; #3 Jersey Boys show only. If interested please call Sue, at cell 416-917-1421 or by email at spoulsen@bell.net as soon as possible.

Our thoughts and best wishes are being sent to all the ladies under the weather.

Yours in comradeship, L.A. President, Annamarie Lowin

Suzuki failed to recognize Goldhawk

Letters

To the editor

This letter has reference to the article on Page 6 of September 10 The New Tanner, under "Science Matters" by David Suzuki.

While I have no dispute with the issues regarding Site 41, I do take issue with the fact that no mention was made of the contribution made by broadcaster Dale Goldhawk. Mr. Goldhawk, on his radio program on 740 AM Radio, spearheaded the campaign to unite his listeners to do everything in their power to stop the development of Site 41.

He called the politicians involved to task, he spoke at meetings, he attended rallies etc.

I feel very strongly that his efforts and those of his listeners played a major role in bringing this matter to the attention of the public and resulted in the moratorium being approved.

I, and I'm sure, many of the folks in Tiny Township, would like to see Mr. Goldhawk get the recognition he so rightly deserves.

Thank you, Joyce Kelterborn, Acton, Ontario
