

# ROCKWOOD HOME HARDWARE

*We would like to thank all of our loyal customers and our newly moved-in customers for their business in 2009 and wish you all a happy healthy year in 2010.*

Renovations and re-merchandising will be continuing in the new year in preparation for our **Grand Reopening** under our new Home Hardware Banner as well as our **1<sup>st</sup> anniversary sale**. Watch our ads in The New Tanner newspaper for the dates of this event. It will be a weekend filled with fun and door crashing deals.

We have come up with a few deals to help you start thinking about our anniversary sale. These are a limited item and no rain checks will be available for this sale. ***Sale date is January 2 - 10, 2010.***

Buy a 1 litre kettle, white or black, 2 slice toaster, white or black, or an easy press iron, all Proctor Silex items, for a low price of \$10.97 your choice that's a 40% savings.

As well we will be continuing our **Christmas Clearout Sale**, toy sale and instock discontinued and one of a kind pricing event in appreciation to our valued customers, who we look forward to seeing in the new year.

*Best wishes from all the gang at  
Rockwood Home Hardware.*

**273 Alma Street Rockwood ON 519-856-9551**
