Spirit Sings at Crawford Lake

Summer evenings in Ontario's natural areas are a time of magic. The summer breeze stirs forest leaves, crickets sing and owls call. Adults can slow down and reconnect to the world around them and children thrill at the excitement of moonlight nature walks, or storytelling around a crackling fire. You do not have to travel far to experience the wonder of a traditional summer evening, as on Sunday, August 15, Crawford Lake Conservation Area will host its annual Spirit Sings event. Spirit Sings allows visitors of all ages to experience

the excitement of a summer night. The evening runs from 6 to 9 p.m. and includes a variety of guided activities. First Nations teacher Joe Paquette will share past and present First Nations traditions around a crackling fire in Crawford Lake's reconstructed Iroquoian village. Staff will also guide visitors through a quiet forest path to a starlit lake. Finally, guests will sample traditional First Nations food, and create a craft to take home. The Spirit Sings event begins as the moon rises, however, registrants may explore Crawford Lake for the full

day as part of the registration fee. The park boasts hiking trails on the Niagara Escarpment, a rare lake, beautiful woodlands, and a Visitors Centre with giftshop and picnic areas. The Iroquoian village is also open daily for the summer between 10 a.m. and 4 p.m. Spirit Sings is a pre-registered event and runs from 6 until 9 p.m. Spots fill quickly so please register early. To register, visit the Conservation Halton website at www.conservationhalton.ca and go to Spirit Sings in the Events Calendar.
