eisure time

Adult Canadians report they have an average of four hours of leisure time on weekdays and seven hours on weekends.

Watching television is the most time-consuming activity for both adults and children. Both spend approximately 11 hours a week watching television. On average, adults spend 9.6 hours reading, playing music or doing hobbies while children spend 9.1 hours on those same activities.

Adults spend 5.4 hours visiting friends and family while children spend 7.6 hours a week. Adults spend 2.4 hours in restaurants, cafes or pubs and children spend

2.2 hours playing video and computer games.

The next popular leisure activity for adults is the 1.8 hours a week they spend with social or community groups, and for children it is social and play groups.

Adults spend 1.5 hours a week at sports events and movies and children spend 1.9 hours on those same activities.
