

# ACTON SENIORS' RECREATION CENTRE

BY JULIE CONROY

Here I am again writing for Julie, who took a well-deserved break!

Ruth told me about the trip to Rama last Wednesday. The 50/50 on the bus was won by Kathy Bowman, the birthday celebrant was Shelby Doucette, and the five lucky seats were occupied by Betty Campbell, Brian Sanderland, June Chard, Lois Walker and Marion Bergany. The monthly trip to Casino Rama is certainly popular. The next one will be on Wednesday, September 29.

I hope everyone who came to the movie "Leap Year" enjoyed it. Remember the next movie is on Tuesday, September 7, when "My Sister's Keeper" will be shown.

There was no winner again at last Friday's 50/50 draw. The next draw will likely be over \$200 - so drop your loonie in.

It seems that Heinz is eager to get us back in shape after the lazy, hazy summer we've had. He decided to start the two separate exercise classes yesterday, and wants to have our

first hike tomorrow, on two Acton trails.

A reminder that the Centre will be closed on Labour Day, Monday September 6. After that, the Centre will gradually get back into full swing again.

Be sure to read the advertisement put in the September 9 edition of The New Tanner showing all the events and programs happening throughout Open House week (Monday September 13 until Friday September 17). The week is completely free and you will be made welcome to try any or all that is offered. The only exceptions are the Birthday Tea, which requires an invitation and the Social Dinner, for which you need to buy a ticket.

The schedule for the activities at the Georgetown Centre will also be listed. Anyone is welcome to try what is offered there, also free of charge.

Julie asked me to mention that the trip to Mohawk needs to be paid for,

so if you are on the list, or would like to go as there is still room, please drop in with your payment soon.

The Craft Ladies will be meeting at the Centre at 9:15 a.m. on Monday September 13, with coffee and goodies. They are looking for new blood, with some new ideas - so they would welcome newcomers. They do a variety of crafts including knitting and sewing so would be pleased to get any donations of wool, material etc. Come along to see what they do, or bring your own crafts to share with them.

The Travel Group have a trip

planned to Oktoberfest. If you are interested in going please check the information at the travel desk, these trips fill up quickly.

We were saddened to hear of the passing of Joyce (Pickles) Miller. Our condolences go to Neil and their families. Both Joyce and Neil were long-time members of the Centre.

Agatha Christie once said "I like living - I have sometimes been wildly, despairingly, acutely miserable, racked with sorrow, but through it all I still know quite certainly that just to be alive is a grand thing." It sure is!

## LOOK BOTH WAYS:

Pat Robinson of Tyler Transport pointed out important safety issues Saturday morning following a School Bus orientation session held at Acton High School. The three youngsters were part of a group of local children who will be traveling to school on the bus for the first time starting Tuesday.

Due to the Labour Day holiday, household waste collection services the week of September 6 will take place the day after your regular collection day.

Please place your waste at the curb by 7 a.m. on your scheduled holiday collection day.

Please check your 2010 Waste Management Guide and Collection Calendar for your collection area details, or visit [www.halton.ca/waste](http://www.halton.ca/waste) to use our "Search by Address" tool.

## Halton Waste Management Site will be closed Monday, September 6, 2010.

### Regular Operating Hours

Open Monday to Saturday, 8 a.m. to 4:30 p.m.  
5400 Regional Road 25, Milton

For a full list of HWMS fees, visit [www.halton.ca/waste](http://www.halton.ca/waste) or contact Halton Region.

## Household Hazardous Waste Not In the Garbage, Not Down the Drain

Household hazardous waste can injure waste collectors, and can damage the environment if disposed of improperly. Household hazardous waste must not be put in the garbage or poured down the drain.

Household hazardous waste is usually labelled as corrosive, explosive, poison or flammable, and includes materials such as antifreeze, batteries, compact fluorescent light bulbs (CFLs), fluorescent tubes, garden chemicals, household cleaners, motor oil and filters, paint, and propane tanks.

Household hazardous waste can be dropped off free of charge at the Halton Waste Management Site, 5400 Regional Road 25, Milton. There is a 20 litre maximum per visit. No commercial hazardous waste can be accepted. The Site is open Monday to Saturday, 8 a.m. to 4:30 p.m.

Visit [www.halton.ca/takeitback](http://www.halton.ca/takeitback) for a list of local retailers that take back select household hazardous waste.
