HOROSCOPES

- ARIES - Mar 21/Apr 20**
Aries, it will be difficult to keep your emotions in check this week, especially when someone is attempting to ruffle your feathers. Keep a smile on your face and try.
- SAGITTARIUS - Nov 23/Dec 21**
Sagittarius, there's no rest for the weary, and you certainly are weary. That's because you have been trying to do too much with little to no help. Things must change.
- CAPRICORN - Dec 22/Jan 20**
Capricorn, take a few moments to assess a situation before you jump right in. You may find what you were thinking of doing isn't the best plan of attack.
- AQUARIUS - Jan 21/Feb 18**
Aquarius, be careful when offering an opinion that might be taken as negative. It might be best to say nothing at all for the time being. Look forward to Wednesday.
- PISCES - Feb 19/Mar 20**
Pisces, be extra diligent when making a big purchase this week. You need to put in a little more homework before sealing the deal.
- GEMINI - May 22/June 21**
Gemini, throw a party and invite your closest friends. You deserve some time to simply kick back and relax this week. If a party isn't in the cards, go out for dinner.
- CANCER - June 22/July 22**
It may be time to expand your family, Cancer. For those who are not ready for more kids, a new pet can add a different atmosphere to the house. Visit a local shelter for some prospects.
- LEO - July 23/Aug 23**
Leo, take advantage of an opportunity to go out and socialize with friends. Just don't burn the candle at both ends. Wait until the weekend for further festivities.
- VIRGO - Aug 24/Sept 22**
Virgo, normally you are very mild-mannered. But lately everything sets you on edge. It is important for your health to calm down and avoid stressful situations.
- LIBRA - Sept 23/Oct 23**
Libra, keep an open mind and open ears when someone offers advice this week. It is important that you keep all options open for the next several weeks.
- SCORPIO - Oct 24/Nov 22**
Continue to do whatever works for you, Scorpio. Don't worry about what other people say, or what you think they're going to say. Embrace your spirit of innovation.
