### President's message

Welcome Everyone to the 97th Annual Acton Fall Fair. We hope you enjoy what has become a tradition in Acton and the surrounding area. For almost 100 years friends

and family have gathered over the weekend to come out and enjoy all the great things a local fall fair has to offer! Our midway has expanded again to offer more excitement and fun,

we have many local vendors with great offerings and food vendors to meet everyone's tastes! Be sure to get your spot along the parade route on Saturday to enjoy the local bands and floats. Friday night always brings great excitement and anticipation while the judges have the incredibly hard job of deciding who will be our next Miss Acton Fall Fair. Wander through the building and view the amazing displays of talent from baking to preserves and photography to hand made crafts and hobbies. The Poultry Tent has a fantastic display of exotic birds and the Ag Awareness tent lets you learn a bit about farm animals. Good Luck to the 4H contestants vying for the Grand Champion ribbons! Thank you again to all our many volunteers who put in countless hours to make this weekend happen and also to our local sponsors, who are so important to the success of the fair ~ you are all truly "Outstanding in your field!" Without everyone's help, we just couldn't be "The Best Little Fair in Ontario!"

John Miller, President
