Season ends with a loss for U14 girls

Rockwood U14 Girls Select faced Saugeen Shores in playoff action this weekend. In what was unarguably their best game of the season, fans were on their feet and hoarse from shouting. Nikki Sinkner scored early in the first half, followed by a goal from Chelsea Elliott. Saugeen then scored twice to leave the score tied at half.

Saugeen scored early in the second half, but the score was tied again on a goal from Rockwood's Alisha Dennis. Near the end of the second half, Saugeen

scored once more to win the match, but it was a close, well played game with a tremendous effort from all players and spectators complimented both teams and overall play. End of season awards went to: MVP - Kiera Murison, Strongest Offensive Player - Nikki Sinkner, Strongest Defensive Player - Darian Dermo, and the Spirit award was presented to both Hannah Kennedy and Derica Scott. The girls are hoping to train together over the winter and come back strong early next season.
