The Maxan Drywall Atom BB Tanners opened their 2010-2011 season hosting Erin/Hillsburgh, coming out on the losing end with a 6-2 loss. E/H came out strong scoring two goals in the first three minutes before Daniel Nascimento responded with the Tanner's first regular season goal with assists going to Caleb Downs and Jakob Cunningham. E/H notched one more before the first period ended. With no scoring in the second period, E/H scored three times before Connor Fagan rounded out the scoring for the game, with the lone helper going to Cam Knight. "We have a lot of new players on our team this year, so it will take some time for us to gel," said Coach Steve Caldwell. "I thought we came out a bit nervous and E/H jumped out to a lead which we could not overcome."

Stoney Creek came to town less than

24 hours later, this time would be a better for the home team Tanners, with a 3-3 draw. Stoney Creek scored midway through the first period on a power play, once again on a power play early in the second period and would tally once more going up 3-0 heading into the third. With the Tanners playing better hockey late in the 2nd and early in the third, Jake Case finally put Acton on the board on a nice backhand with the lone assist going to Nickolas Ratchford. Nic Jones would later score making it a one-goal game. With the Tanners playing a strong third period and continuous pressure, Talon Fife scored on a breakaway, tying the game with just over three minutes remaining. "I'm really proud of our boys, they never gave up and came on really strong in the third period. It was fun to watch," said Caldwell.
