

**DUCKS DELIVER:** Members of the Acton Aqua Ducks had some great finishes at a swim meet in Orangeville on the weekend. —Submitted photo

## Ducks make splash at swim meet

Members of the Acton Aqua Ducks competed recently in the Fall Invitational Swim Meet in Orangeville against swimmers from around the province. The Ducks had many outstanding finishes and many swimmers beat their personal best times. A number of new competitors swam their first races in an official meet.

## Novice Tanners win again

The Trendz Hair Studio Novice Tanners added three more wins to improve their impressive record.

The week started with an entertaining 5-2 win in Milton. Milton lead 1-0 after one, but Nolan Cree tied it early in the second, from Evan Ashe and Owen Kennedy. Milton regained the lead, and then Spencer Booth quickly answered back from Thomas Holmes to tie the game 2-2. Acton carried the play in the third and was rewarded, when Tristan Wight scored on a fine individual rush. Acton finished off the game with two goals in the last minute,

Cree's second of the game from Matthew Geim and Spencer Booth and Ashe from Kennedy.

The Tanners travelled to Dundas on Saturday and played a solid team game winning 4-1. Spencer Booth led the way with two goals; singles went to Stuart Macdonald and Wight. Assists went to Geim, Macdonald and Brandon Hatt. Acton's defense of Brett Hilts, Zachary Booth, Gabe Rowsell and Holmes played strong in front of goalie Owen Borges who improved his GAA to 1.50 for Acton's first 12 games.

The week finished at home with a 9-1 thumping of Orangeville. Cree scored four goals, while singles went to Ashe, Hatt, Macdonald, Wight and Hilts. Assists went to Spencer Booth (2), Ashe (2), Jackson Phillips, Zach Booth, Cree, Kennedy, Hatt and Holmes. Acton showed great speed and puck movement, in overwhelming Orangeville.

The Acton Novice Tanners are playing some of their best hockey yet, and can hardly wait for their rematch with Georgetown, Saturday at 4:30 p.m.

## Three game sweep for Atom AE Tanners

The getconnected.ca Atom AE Acton Tanners faced the Erin-Hillsburgh Devils for the fourth time and their fourth victory in the series. The Devils came out strong and scored the first goal of the game but Cameron Shoebridge evened it up with help from defencemen Ben Gray and Joshua Hamilton to end the first tied 1-1. Half way through the second Dylan Palmer popped a rebound from Shoebridge in the net, which was also assisted by Hunter McCauley. Before the end of the second, Michael Holmes capitalized on another rebound, which was assisted by Devin

Muise and Chase Thomas, to make it 3-2 going into the third. The Devils managed to get one more but Shoebridge landed the insurance goal to end the game 4-2 Tanners.

Two days later the Tanners hosted the Dundas Blues in their first match of the season, in which Tanner goalie Mathew Adkins earned his second shut out thanks to some stellar work between the pipes, with a 7-0 win over the Blues. Scoring for the Tanners were Shoebridge with a hat-trick, Jack Kennedy with two, and one each for Palmer and Michael Holmes.

Assists went to Brian Secord (2), Luke Miehm, Jon Bydevaate, Jacob Coleman, Chase Thomas, Hunter McCauley, Muise, Shoebridge and Hamilton.

The next day the Tanners travelled to Dundas for a rematch. The Tanners scored first and Shoebridge followed suit with a top shelf goal of his own after receiving a pass from Gray. The Blues scored to end the first 2-1 Tanners. Half-way through the second, defenceman Bydevaate upped the score to three for the Tanners. Ten seconds later, Shoebridge scored his second of the game, after being set up by line mates

Palmer and McCauley. Not long after that, Coleman sent Kennedy on a breakaway to make it 5-1 Tanners. Dundas scored back-to-back goals to tighten the gap with a 5-3 score, but Owen Ferguson made some great saves to keep the Blues at bay, while Shoebridge earned his second hat-trick in as many days to make the final score 6-3 Tanners. The Atom AE Tanners travel to Elora this Saturday to meet Centre Wellington for the first time.
