

The Regional Municipality of Halton

www.halton.ca

Are you using **acceptable GreenCart liners?**

If you choose to line your GreenCart with a bag, please ensure you are using and purchasing acceptable GreenCart liners. Not all liners sold are accepted for use in Halton's GreenCart program. Halton Region does not accept plastic products or plastic liners in the GreenCart.

If purchasing liners, ensure you only select certified compostable liners with the Biodegradable Products Institute (BPI) logo on the box, as shown to the right. These bags are made from plant-based materials so they compost easily.

Other acceptable liners include:

- Paper towels
- Newspaper/flyers
- Cardboard
- Paper bags
- Paper food waste bags

For a list of GreenCart acceptable liners and where they can be purchased, visit www.halton.ca/waste.
