Trouble at net for Atom AE

The getconnected.ca Atom AE Acton Tanners had trouble finding the net at a Silver Stick Tournament in Collingwood on the weekend.

They faced Erin-Hillsburgh in their first game and were shut out 3-0. Later that day, the Tanners met Collingwood in a fast paced, intense game, holding their own against the host team in a game which was scoreless until halfway through the second, thanks to some stellar saves from Tanner goalie Mathew Adkins. Collingwood started the scoring and notched two more to down the Tanners 3-0.

The tables turned in their third game on Saturday against Midland, when the Tanners upset the northern team 3-1. Midland opened the scoring but thanks to the quick moves of Owen Ferguson and Adkins, they were denied any further goals. Jack Kennedy claimed the first Tanner goal of the tournament, with help from Michael Holmes. Dylan Palmer followed suit with the game winning goal early in

the third, off a pass from Ryan McAskill. Cameron Shoebridge nabbed the insurance goal shortly after, with assists from Jon Bydevaate and Brian Secord.

Before the tournament, the Tanners were in Woolwich where they dominated the game and were up 4-0 nearing the end of the second, when Woolwich turned it around, and came back with a goal of their own to end the period 4-1. That goal was followed by two more in the third to bring the score up to 4-3 Tanners. With less than five minutes left in the game, the Tanners took the defensive, and Ferguson held strong to keep the one goal lead to end the game for a win. Devin Muise earned his first hat trick, and Shoebridge claimed the other Tanner goal. Assists on two of the goals went to Ben Gray and Bydevaate.

The Tanners play host to Centre Wellington on Saturday at 6:45 p.m., at Acton arena.
