## Tie for Atom AE

The getconnected.ca Atom AE Acton Tanners travelled Tuesday December 21 to take on Arthur in the last game scheduled for 2010.

With so few games left in regular season, Arthur charged out of the gate scoring their first goal at 8:15 minutes on the clock.

Acton's defence fought hard, but couldn't hold the speed of Arthur's offense. With a break away and congestion around the net, Arthur managed to score their second and final goal of the game with 4:13 on the clock left in the first.

Mathew Adkins and Owen Ferguson shared the net in what is the season of giving, getting a much deserved few minutes to regroup and re-take the ice in period two. Truly great teamwork between the goalies.

In period two the Tanners decided it was time to reclaim the ice, and Devin Muise scored the Tanners much anticipated first goal of the game. The

Tanners came alive, and with great passing, teamwork, and determination, Chase Thomas managed to tie up the game close to the end of the second.

Both the Acton and Arthur fans went wild as the intensity of the game continued in the third, but both Arthur's goaltender and the Tanner's goalie, Adkins, would not allow either team to take the lead, while defensemen Ben Grey, Joshua Hamilton, Jacob Coleman and Ryan McAskill held Arthur at bay.

As it is the season of giving and sharing, the game ended in a 2-2 tie leaving fans smiling and on the edge of their seat throughout the evening.

The getconnected.ca Atom AE Tanners will travel to Cambridge, to participate in the Hespeler Olympics on December 28-30. Regular season games resume January 2, when the Tanners travel to Carlisle to take on Flamborough.

Have a wonderful holiday from the getconnected.ca Acton AE Tanners, and keep your stick on the ice.

**ATOM AE ACES:** The Acton Tanner AE team held a skills competition last weekend at the Acton arena. The competition included individual races, target shooting, scoring and a scrimmage. – Liz Holmes Photo

## Two wins for Novice

The Trendz Hair Studio Novice Acton Tanners continued their strong play, winning two more games and improving to 17-1-5 on the season.

The Caledon Hawks hosted the Tanners on Monday night, and the Tanners came out quick with Stuart Macdonald scoring on a rebound of a Nolan Cree shot. Caledon picked up their play and tied the game, but fine goaltending by Owen Borges kept it that way until late in the second when Spencer Booth broke in to give the Tanners the lead. In the third period Booth stole the puck, while the Tanners were down two men and made a nice move on the goalie to increase the lead to 3-1. Macdonald scored his second of the game from the slot on a pass from Cree, to make the final 4-1.

Tuesday, the team travelled to Orangeville, and a sluggish first period found the Tanners down 1-0 before they started to skate in the second. Owen Kennedy tied the game, firing home a wrist shot on a feed from Matthew Geim, and then Brett Hiltz gave the Tanners the lead on an end-to-end rush. Jackson Phillips made the score 3-1 when he out-worked two defenders to steal the puck and score. In the third period Cree found the top corner with an assist to Thomas Holmes. Phillips sliced through the defense again to score his second. The scoring finished when Booth kept the puck in and got it to Geim, who shot on goal for Kennedy to tip in his second of the game to make the final 6-1.

The Novice Tanners would like to wish everyone a Happy New Year.

### The Acton Firefighters Association would like to thank everyone for making our 2010 parade a great success.
