Hockey Group Play-offs in 4-4 Deadlock in Two Games

Elora Won from Acton by 3-1 on Monday and Acton Won from Elora in Thirty Minutes Overtime by 3-1 in Acton Last Night—Brown Starred in the Nets for Elora—Third Game Necessary to Declare Group Winners—Hectic Battle Before Capacity Crowd Lasts to Nearly Midnight—Two Accidents to Players.

GROUP FINAL
Saturday in Guelph

Arrangements were made shortly after one o'clock this afternoon for the Group Final between Acton and Elora to be played in Guelph Arena on Saturday night at 8.30 p. m. Admission prices are the same, 75c for adults; 15c for children under 12; and reserved seats 15c extra. Ernie Wortley of Toronto, who returned with a good game here last night, will again be in charge of the game.

ELORA 3—ACTON 1

Elora Hockey Team proved superior over Acton on Monday night in the first game of the group play-offs, when they won by a score of 3-1. It was, of course, a delight to Elora fans, and a crepe-banging ceremony for the Acton followers. Twice already this season Acton had won from Elora, and then for the Rocks to get a two-goal lead in the first of the play-offs. This, of course, is written on Tuesday, following the first game. We're just taking the atmosphere of that day and date, not knowing what will happen on Wednesday and before this appears in print.

We're not going to dwell on the heart-rending scene, but get into the play as we saw the game. There are times when even sports are too sad for words. We know just how Mudville felt when "Mighty Casey" struck out, only we can't write a poem about it.

There was a good sheet of ice (no allis here). The game started rather slow. Elora seemed content to try the long shots, and go in for the rebounds. Rummels missed on a nice pass from Fisher when Greer saved the situation. Norm Morton made a nice shot on Brown, but he saved. Then in scramble in the Elora net Brown was again victorious. Marzo made a nice rush, but had no luck. Bus Morton missed the goal by inches, and Norm lost his stick when he was in position for a nice shot. After seventeen minutes of play, B. Rummels scored on a pass out from Selling, that left Greer no chance to save a score.

Rummels missed on a nice solo effort. Brown denied the Morton brothers another one that looked like a counter when the Elora net minder was out. The period ended at 1-0 and much as it hurts to be truthful, Elora, on the play, certainly deserved to be leading. There were no penalties.

When B. Rummels drew a penalty in the second period, Elora played nice defensive hockey. Bus Morton missed when he was right in. Acton was playing a loose defensive game and leaving too much to Greer. Elora was checking close. Morton brothers were in again, but Brown saved, and Greer robbed B. Rummels when he was right in. Terry also lost on a decision with Brown. Selling went off for putting Anderson on the boards, and Acton put on the pressure when they were short-handed. Elora was checking Acton to a ninth, and right in on their shots. Anderson went off for tripping J. Rummels just as the period ended. Still 1-0 for Elora, and Elora having the best of the play. Penalties of the period were B. Rummels, Selling and Anderson.

Of course Acton started period three short-handed, but the Acton boys took the offensive. Jack Keutner shot a hot one at Brown. And Selling retaliated when he went right in on Greer. Walters went right in but had no luck, and took a long shot that had Brown guessing on its roll. Elora was slugging rubber at Greer. After six minutes of play, Walters opened the score for Acton, that saw the Acton fans something to holler about.—Walters went off for putting Selling into the boards. Greer went down to save a score. Elora pressed hard when Acton was short-handed, and gave Greer plenty to worry about. Finally, from one of these scrambles in front of the goal, B. Rummels scored on a pass from Fisher. Bus Morton queried the net on his chance. To top it off for Elora, Selling put the game in the bag when he scored from another scramble.

Of course, there was the final two minutes of hectic wind-up to the period when Acton tried to get some goals. Bus Morton went off for tripping Selling and Fisher took a body check that was pretty hard. The end was sensational enough but the result was 3-1, and for the first time this year the locals had tasted defeat. Penalties went to Walters, B. Morton, and N. Morton.

The line-up was:
Acton—Greer, goal; Gibbons and Keutner, defence; N. Morton, centre; Terry and B. Morton, wings; Walters, Anderson, Marzo and Joe Keutner, alternates.
Elora—Brown, goal; Walser and Dreyer, defence; B. Rummels, centre; Fisher

FROM THAT NICE PRESS BOX

That we didn't leave feeling half as comfortable as on the other time we wrote notes there.

Oh well, somebody had to win, and we guess it was Elora's turn on Monday.

The crowd was estimated at 900—the biggest to ever witness a game in Elora's nice new rink.

There's a lot of things that might be said about different players on the Acton line-up. But every team has an off-night, and the locals sure put up a performance below par on Monday.

There's a hockey lingo that had a very original sound on Monday evening. We hope his prophetic note rings truer than its musical key.

The Norfolk Observer makes the following remark prior to the hearing of the local club carries a protest down to the raffish atmosphere of an O. H. A. Executive Committee Room, the charges are apt to have all the force and effect of a pea shooter in a naval engagement. Apparently Simcoe has had experience with the O. H. A. previously.

ACTON 3—ELORA 1

For all the hockey the Acton intermediates failed to play in Elora on Monday night, they made up in good measure at the Acton Arena last night, in a battle that lasted for thirty minutes overtime, and failed to break the deadlock on the round of 4-4.

Any fan that didn't get a real two-bills' worth of hockey last night is mighty hard to please. There were well over 1,200 paid admissions, and the Arena was pretty well jammed, although there have been bigger crowds in Acton Arena. The band had all the old familiar tunes from Oontown to Sweet Adelaide, and with the final note of the National Anthem a roar went up that lasted until well near midnight. But let's go on with the game, because it's a long story.

Play started with both teams taking some long shots and Elora was right on the defensive. Acton was a different team from the Elora game, and right on their stride. Walters and Gibbons made the first attempt that came near the score. The Acton crowd got a thrill when Terry scored, but play had been stopped before the score was made. Acton was travelling like a bunch of deserving champions and outplaying Elora. Rummels (one of them) got right in past the defence, and Greer saved. Marzo played a nice shot right on and Selling was right in but Greer saved. B. Rummels drew a penalty and Gibbons smothered with flying rubber and the acton-haired net minder certainly did some nice stopping. And especially when Acton put all five men forward:

Terry got Acton's first tally when he let a hot one go just midway between the blue line and the goal, and nipped the corner of the net past Brown. Joe Keutner was back in shape and right on with his shots. Terry went down when he hit with a stick in the face, and had to go to the dressing rooms. A cut lip and an eye almost completely closed made the rest of the game hard for the Acton star. Bus and Norm Morton were close and Walters overshoot in the final stages of the period, which ended 1-0 for Acton, and the locals deserved the lead on the play. B. Rummels was the only one to draw a penalty.

Elora was still on the defensive in the second period and Acton pressing the play. Terry was back on the ice but looked pretty groggy. Norm Morton went right in but Brown saved. Marzo missed from a face-off. Play was at the Elora net and then Walters drew a penalty for tripping. Fisher followed him to the penalty box for slashing Jack Keutner. Terry and N. Morton passed some hot ones at Brown, but again he turned them aside. Acton was pushing the play, even when playing a man short.

The Elora net was full of players, but Brown kept the puck out. Acton had plenty of shots, but Brown was good, and a bit lucky. Rummels (the same one) went off for slashing, and Selling followed for boarding Anderson. Period ended at 1-0 and Elora two men short. Acton still one down on the round.

What an opportunity! And did Acton use it? Bus Morton made the score at 2 when he took Brother's pass to the top round. Acton then went after more, but Brown started for the visitors. The shots went at him so fast they couldn't be kept track of, and Acton was cor-

(Continued on Page Five)

A Selection of News Items

Valentine Party
Mr. and Mrs. Swachhammer held a very enjoyable Valentine party at their home last week, when about twenty-five of their friends gathered and spent the evening playing progressive euchre. When the games were over the hostess served a dainty lunch, after which the lucky players were awarded prizes. The party report a very enjoyable evening.

Hold-up Suspect Arrested
Chief McPherson and Constable Cookman were in Toronto yesterday and Ted Tyler and Leonard Brownlow accompanied them. The identification was made of one of the young men who held up Tyler's service station in Acton a week ago Saturday. Police are on the trail of the other two implicated in the affair, and their arrest is expected immediately.

Planning Acton Fair
Yesterday the Directors of Acton Fair met in the Council Chamber, with a good attendance, and President V. B. Rummley conducting the meeting. A report of the delegates to the Fair Convention was given the meeting fully and proved very interesting. Committees were named for the various branches of the work and plans made for a bigger and better Fair for 1935. Many details for the Fair in September are already well in hand and organized.

Milton Hockey Men Deny Accusations
The Executive Committee of the Milton Hockey Club, meeting there on Tuesday, entered a strong protest in regard to the statement recently made by the Georgetown club, and denied in every respect the accusations of Angus Duncan of that organization. The Milton Club had no knowledge whatever of any agreement with Georgetown Club as to use of ineligible players, it was claimed. In further proof that no agreement was made, Milton understands that Georgetown did not have enough players signed to substitute for these three men. Georgetown also entered into group play-offs last year with two of these over-age players taking part. It was declared.

United Church Young People's
The meeting on Tuesday evening of the United Young People's Society was in charge of the Citizenship Group, under the leadership of Mr. George H. Poole. The scriptures lesson was read by Mr. Elwood Johnston, and Mr. G. Poole led in prayer. A vocal duet by Miss Ruth Gibson and Mr. Fred Cole, accompanied by Miss Jessie Young, was very much appreciated. A special feature of the evening was an address given by Dr. Neville Harrop on "India and Its People." This proved to be not only interesting but educational and instructive. Having spent a number of years in India, the speaker vividly described that country. The meeting closed with a hymn and the Mizpah Benediction.

First Tenants
The first leaseholders of quarters in the new Murray-Memorial Y. M. C. A. building in Acton moved into their quarters yesterday—the Acton Public Utilities Commission. The new office furniture and equipment were transferred to the new quarters and a sign now hangs in the window of the former office. "Moved." The new furniture is in keeping with the new office surroundings. There is nothing elaborate but very appropriate. A new clock, table and chairs of modern design have been provided for the Secretary's main office. The board room is fitted with a board table and half a dozen chairs. Three new lighting fixtures supply the illumination. The new quarters are now much more appropriate to the position, and business that the Commission occupies in the affairs of the municipality.

Relief in Toronto Will Cost \$3,000,000 This Year
Costs of direct relief to the ratepayers of Toronto this year will be in the neighborhood of \$3,000,000, according to a report submitted to Board of Control by Welfare Commissioner A. W. Lauer. This estimate did not include the assistance from the Federal and Provincial Governments. In 1933 the city's share of direct relief was \$2,460,791, while in 1934 it amounted to \$2,173,375. The increase to almost \$4,000,000 means about one mill additional to the tax rate and another problem for the Board of Control. The estimated increase in direct relief costs of about \$750,000 would be reduced by \$250,000 if a program of work was provided, the Commissioner stated. When work is provided those receiving it are stricken from relief rolls and are compelled to pay their debts over to laborers, or to the Hydro and other services.

Meeting of the Nassagaweya Council

Mr. J. H. Simpson, Delegate to Good Roads Convention—Auditors' Report Considered Satisfactory

Nassagaweya Council met in the Township Hall on Monday, February 11th. Accounts were passed as follows:
R. S. Easley, relief \$ 15.04
L. Snyder, relief 14.00
Norris Bros., relief 37.56
Austin Dredge, relief 19.81
H. C. Easley, relief 30.19
C. A. Easley, relief 153.92
Dr. Black, relief 62.00
N. S. Marshall, relief 42.50
Cameron Kitching, sheep killed and killed 24.00
A. E. Wilson Co., bonding Treasurer and Collector 62.00
Chas. A. Darby, auditor 15.00
Moloch Holmes, auditor 15.00
Municipal World, subscriptions 10.00
Road Superintendent's Voucher, No. 2 104.33

Accepted for a supply of wood for the Township Hall.
Council, in committee, examined the Auditors' Report and found it satisfactory.
Mr. Edge was appointed caretaker of the old Municipal ground and monument.

Mr. J. H. Simpson was appointed as delegate to the convention of Ontario Association of Rural Municipalities, and Stanley Fulton a delegate to the Good Roads convention.
Council adjourned, to meet March 4th, at one o'clock.

ARENA NEWS

Hockey Every Week-Day and Activity 'Galore'—Sweaters Donated for Teams' Use by Mason Knitting Co.

Actively every week-day seems the slogan for the Acton Arena these days. Managers Jack Kentner and James Mills and Secretary Frank Holloway have a busy time of it, arranging schedules and keeping an ice surface for the demands on the accommodation.

Tuesday there were 300 spectators to see the three games played in the Rural League. Two complete sets of sweaters for the opposing teams, have been donated to the Arena by the Mason Knitting Company. These distinctive colors of blue and white enable the opposing teams to play to better advantage, and are a great help for all, and an asset to the Arena. To assist the clubs and Arena in defraying expenses, there will hereafter be an admission charge of 5c for spectators. Here are the results of the week:

Thursday, February 14th — In the Rural League, Brookville won from Blue Springs by 7-1; Lorne School and Rockwood played to a 2-2 tie; York Road took Eden Mills into tow, at 7-2.
Friday night, in the Church League, Anglicans defeated the United Church, 4-2; and the Presbyterians won by 9-0 from the Catholic team. Lorne Rifles and Limestone also played that night, with the former winning by 9-6.
Saturday afternoon, Lorne Rifles won by 4-1 from the Brampton Peel-Dufferin Regiment team.

Saturday night was Hard Night for the skaters, with a pretty fair attendance.

On Monday night the Midget League had their linings. King's team won from Masters' team by 7-2; Tubsets and Keutner's teams played to a 1-1 draw. Lorne Rifles won from Limestone by 4-2. Tuesday night was a big night in the Rural League, and final games that night were ended at 11.45 p. m. Lorne School won from Eden Mills, 6-0; Blue Springs and York Road battled it out in a scoreless game of pretty hockey for the first league. Brookville put the skids to Rockwood to the tune of 5-0. Three games in the Rural League left this yet for Jones' boys to win from Lorne Rifles by 3-2. It is a noteworthy fact that in this game the Jones' boys scored, all of the 5 goals of the game.

Wednesday Night—The story will be found in the immediate Hockey record column, elsewhere in this issue.

The final standing in the Church League is as follows:

W	L	T	P
Presbyterian	3	1	2
United	3	3	0
St. Joseph	3	3	1
Anglican	2	3	1

The play-offs in this League will commence next week.

THE EVENING MEAL DIGEST

Mrs. Malaprop: "I think Napoleon was a far greater soldier than Bonaparte."
Friend: "But they are synonymous."
Mrs. Malaprop: "That may be, but I always have contended that Napoleon was by far the more synonymous of the two."

Various Interesting Items of News

Chimney Fire
A chimney fire and overhauled stove pipes called out the fire brigade to the home of Mr. John Pallas, John Street yesterday at noon. A chemical extinguisher and a few pails of water extinguished the fire and the damage was slight. It was not necessary for the brigade to use the chemical line.

Meeting of Knox-Women's Missionary Society
The Women's Missionary Society of the Presbyterian Church held their February meeting at the home of Mrs. H. M. McDonald, with the President, Mrs. George Murray, presiding. Mrs. Blow and Mrs. Cooper led the devotions. A splendid paper from the Study Book was given. It was decided to make quilts for the West. Miss Gray gave a piano solo. Mrs. Cooper was appointed to meet with the ladies of the other churches to arrange the program for the "World's Day of Prayer," to be held in the Baptist Church on March 8th. At the close of the meeting the hostess served tea and a social half hour was much enjoyed.

Bogus Check Artist Operating in Oakville District
Search for a bogus cheque artist, believed to be moving west on the Lake Shore is being pressed by police following the victimizing of Oakville merchants. The man obtained \$17 from two Oakville tradesmen last week, and \$15 from a Port Credit men's wear merchant. His method of operation is to phone the merchant, giving him the name of a reputable citizen, and ask if he has any objection to his sending along a man with a cheque for some goods. The cheque is usually made out in the name of the citizen and endorsed by a person, ostensibly the man who presents it. His methods have been very effective to date, and he was walking out with merchandise and money.

Meeting of United Women's Missionary Society
The monthly meeting of the Women's Missionary Society of the United Church was held at the home of Mrs. C. H. Harrison on Thursday afternoon last, with a very gratifying attendance. The President, Mrs. Barber, was in the chair. A prayer service was held previous to the meeting, conducted by Mrs. Alex. McDonald. Following the devotional exercises, the reports of the Secretary and Treasurer were read, and adopted. Mrs. R. L. Johnston read a very interesting letter from a missionary in China. Mrs. S. Reid conducted the remaining part of the meeting, a short program followed by a social hour. Mrs. A. Johnson read a Valentine story; two piano solos by Mrs. R. R. Arnold and Miss Margaret Harrison, which were much appreciated. Mrs. Bert Mowat read a chapter from the "Study Book on India, which was exceptionally well explained. The meeting closed after a dainty lunch was served by Mrs. S. Reid's group, and a vote of thanks to Mrs. Harrison for her home for a very profitable meeting.

Canada's Potato Crop
Canada's potato crop in 1934 is estimated at eighty million bushels, which is 10 per cent greater than that of 1933, and 6 per cent above the average production of the five-year period 1929-1933. In the four Western Provinces the crop is estimated at 13,001,000 bushels against 13,615,000 in 1933. The bush was materially affected in several districts of the Prairie Provinces, especially parts of the Saskatchewan, both by drought and grasshopper, the total production in the western section being about 10 per cent lower than for the five-year period. The British Columbia crop, however, was somewhat larger than in 1933. In the two Eastern Provinces the 1934 crop is estimated at 67,238,000 bushels as compared with 67,020,000 in 1933 and 60,180,000 bushels for the five-year period. This increased production is partly due to an increased acreage of 6.7 per cent over 1933, and partly to a greater than average yield per acre. With favorable climatic conditions losses caused by diseases were not as heavy as usual, and the quality was better than average. The increased acreage in 1934 may be explained as a response to prices paid for table stock in 1933 and to some extent to the drop in price of certified seed potatoes in the late spring. Very early plantings many farmers used table grade seed potatoes instead of expensive certified seed and when the latter dropped in price they increased their acreage to a large extent. A total of 21,088 acres were planted for certified seed in 1934 compared with 18,802 in 1933, and a ten-year average of 22,169. Yields in 1934 were well above the average and the total quantity available for seed purposes was approximately 4,285,450 bushels, of which about one million will probably be graded, tagged and sold as certified seed.

Electric Fixtures are Purchased Library Grant is Increased

Council Decided to Increase Free Library Grant by \$250, Effective When New Quarters are Occupied—Final Payments on Contracts will not be Made Until About May 1st—Jos. N. Reid Awarded Contract for Supplying Lighting Fixtures for Y. M. C. A.

At the fortnightly meeting of the Council held on Monday afternoon, Councilors J. E. McMillan, P. E. McCutcheon, Dr. E. J. Nelson were present and Rev. C. H. Harrison presided.

Mrs. George Havill and Mr. A. T. Brown, representing the Free Library Board, were present to discuss details regarding removal of the library to the new quarters. It was estimated that new furnishings and new shelving would cost approximately \$205, which was about the amount of the surplus on hand. The annual statement of the Board was presented to the Council.

The Council expressed a willingness to have the present shelving removed from the present quarters in the Town Hall.

The matter of rental for the library, lavatories and rest room were discussed at some length by the Board representatives, and the Council, and the following motion passed by the Council:

Moved by J. E. McMillan, seconded by Dr. E. J. Nelson, and resolved that the grant to the Acton Free Library Board be increased by \$250 per annum, effective as from the time when they move into the new quarters.—Carried.

Upon motion Dr. E. J. Nelson was requested to carry on the duties of Chairman of the Finance Committee during the absence of Councilor A. Mason.

The fourth report of the Finance Committee recommended payment of the following accounts:

General Account
Norman DeForest, sanitary work at Town Hall \$ 6.00
Estate Jas. Symon, supplies for Arena 1.80
Estate Jas. Symon, supplies for streets, etc. 1.23
Municipal World, advice50
King & McEachern, supplies 2.15
Mrs. H. L. McDonald, repemulm on Town Hall 104.36
W. R. E. Dinar, supplies at Arena 4.35
Bell Telephone Co., services 13.15
Alex. Thompson, streets and walks 3.00

Murray Memorial Fund
Harold Wiles, meals supplied guests re laying of corner stone on Y. M. C. A. building \$ 5.00
Geo. B. Reid, on account painting contract 200.00
J. H. Chalmers, on account plumbing and heating 500.00
J. B. Mackenzie & Son, on account carpenter work and masonry 500.00
Jos. N. Reid, on account electrical contract 75.00
W. P. Mooney, re Stephen Cor-diner, on contract 21.00
W. P. Mooney, re H. Lawson, on contract 20.00
W. P. Mooney, re business tax, on contract 16.26
W. P. Mooney, re Public Utilities Commission, on contract 5.01
A. McMillan, re W. D. Talbot, on contract 40.16

\$1,383.33

The Bell Telephone Co. asked permission to erect two poles on John Street, to provide service for customers. Permission was granted, under the supervision of the Municipal Officer.

A letter from the Liability Insurance Company was received regarding the claim of Mr. Burak. No official notice had been received and the company's investigator would take up the matter. The letter was ordered filed.

Mr. Mahoney, architect, was present and advised not giving final payment on contracts until May 1st, to see if all the work was satisfactory. Amounts were decided upon to make all but the final payments on the various contracts as all the work was completed. It was pointed out, however, that leases might occupy the sections of the building any time.

Tenders for the electrical fixtures in the new Y. M. C. A. building were received and opened by the Council. Six tenders from various firms for the supplies for complete and parts of the supplies were received.

Moved by P. E. McCutcheon, seconded by J. E. McMillan, that the contract for the electric light fixtures for the interior of the Y. M. C. A. building be awarded to Jos. N. Reid, at a cost of \$115.11 (not to include fixtures for Mason's quarters) also that he be allotted the sum of \$244.52 to install four brackets, as per plans of W. A. Mahoney, architect.—Carried.

TIP TO MOTORISTS

Give a woman driver one-half the road. It is usually wise to take to the ditch until she decides which half she wants.

News of Acton and the District

Georgetown Doctor Dies Suddenly
Suddenly stricken with a heart attack while listening to a radio broadcast of a hockey game, Dr. John Paul, veteran Georgetown physician, collapsed and died shortly after 10 o'clock on Tuesday night in the Guelph General Hospital. A patient in the Guelph institution for some weeks, Dr. Paul was talking and joking with nurses during the broadcast of the Toronto Lions-St. Mike's game, when he suffered the seizure to which he succumbed before medical aid arrived. Dr. Paul, who was in his 77th year, was one of the best-known physicians in this part of Western Ontario.

Guelph Plea for Increase in Relief Rent Rejected
Guelph's request for an increase in the minimum of relief rent appropriations from \$6 to \$10 has been rejected by the Provincial Government, according to a letter received from Hon. David A. Croll, Minister of Public Welfare. Mr. Croll advised the City Council the Department has just raised the allowance on properties where assessment is low, and this has entailed considerable additional outlay for unemployment relief. A further request that painting in Guelph school to the amount of \$2,000 be permitted as a relief measure has also been turned down.

Fatal Motor Accident
One youth was killed and three other persons injured when two cars collided head-on on the Centre Road, a mile north of Cooksville on Thursday night last. Terence Case, 16, of James Street, Long Branch, was instantly killed when his car collided with one driven by Herbert Bailey, Brampton. Florence Galt, 17, Alderwood, a passenger in Case's car, suffered cuts and lacerations and was removed to St. Joseph's Hospital, Toronto. Another passenger in the same car, Joseph Smith, 21, of Lake Promenade, Long Branch, suffered facial hemorrhoids. He was treated by Dr. J. S. Cantelon, of Cooksville. Bailey suffered a shaking-up, but was otherwise uninjured. Coroner A. B. Sutton, of Port Credit, ordered an inquest. Investigation into the fatality is being continued by Traffic Officers Ray Hodgson, of Brampton, and A. E. Jellly, of Cooksville.

SIMCOE INDIGNANT OVER O. H. A. ACTION ON GUELPH PROTESTS

Simcoe, Feb. 20.—There should be a thorough house-cleaning of the entire O. H. A. Executive at the next annual meeting, was the declaration to-day of Manager Pat Innes of the Simcoe Intermediates, whose protest against Guelph heard yesterday was thrown out. When the delegates to the Executive meeting returned to-day from Toronto, it was learned that in two instances the hockey governing body had boldly maintained its own rules.—D. W. Fisher, club Treasurer, who conducted the local case, pointed out that the action of the O. H. A. in returning the \$25 protest fee to Simcoe, was generous but unconstitutional, while they also ignored their own ruling that Guelph file a written defence prior to the meeting. No defence whatever was given the Simcoe Club.

"We went to considerable trouble and expense to comply with the O. H. A.'s regulations regarding protests," says Manager Innes, "and we got the worst end of it because we gave Guelph what information we had in advance of the meeting."

There was general amusement locally to-day at the statement issued following the meeting, that Simcoe failed to show that Kuster, the Guelph star, had played any hockey in Hershey. Produced as evidence was a picture of Kaiser in a Hershey uniform, along with other members of the team, taken while he was there, in December.

Coming Events

Announcements of Meetings, Concerts or Other Events, under this heading, are charged to cost per line, with a minimum charge for any announcement of 5c.

A light comedy skit, by fourteen members of Acton Women's Institute, will be presented in the Parish Hall, Acton, on Friday, March 1st, at 8.00 p. m. Donating following program. Admission 25c.
