**This and that**

—Soon time to go hunting wild fowls.  
—Good Friday—a week from tomorrow.  
—April showers have thus far been mostly snow storms.  
—There is still ice at the Arena, but not for skating or hockey.  
—A couple of cases of speeding were heard in Police Court in Acton today.  
—A burning question of the day: Will the coal that's in the bin last the season out?  
—A lot of long distance records are being established in the Legislature, at least.  
—The bumps on the highways are now nearly all leveled out and the signs have disappeared.  
—The Public Library has been closed until Saturday to allow for finishing the floors and woodwork.  
—A good crowd attended the dance held last night in the Town Hall, under the auspices of Acton U. F. P. O.  
—The road drag has been tried on some streets about town, but a few rains would make the work more effective.  
—Mr. Chas. A. Dervell exhibited the other morning some radishes of a new variety he has grown this year, known as "Ruby." They were particularly uniform and a choice variety.

He was accompanied by the male quartette of Trinity United Church, Burlington, which rendered several pleasing numbers.

Milton Fire Brigade had a busy time on Friday last, answering two alarms within one hour, but the firemen did not need the fire hose in either instance. The first alarm sound at 11:00 a. m., when overheated furnace pipes caused Stanley Pay considerable anxiety at his plumbing establishment, but no damage was done. The second alarm was turned in at 12 o'clock noon, when the firemen were called to a chimney blaze at the home of Stanley "Duck" Queen Street.—Champion.

After waiting for over three weeks for the Clinton Colts to finish going far as they could in the Intermediate B. O. H. A., and finally being eliminated by Whitby, the W. O. H. A. officials decided it was time for a show-down for the London Free Press Trophy, and called a sudden death game in Galt last Friday night between the Erin Shamrocks and the Clinton Colts. The score was 8-1 for Clinton.—Advocate.

**VERY DESCRIPTIVE**

A man who had been waiting patiently in the post office could not attract the attention of either of the girls behind the counter. "The evening cloak," explained one of the girls to her companion, "was a redingote design in gorgeous lame brocade with fox fur and wide pagoda sleeves." At this point the long-suffering customer broke in with, "I wonder if you could provide me with a neat purple stamp with a dinky perforated hem, the sort ensemble delicately treated on the reverse with mullage?—Something at about three cents."—Charivari.

Born in the Scotch Block in Esquewaugh Township, he had been a resident of Georgetown for 15 years. Deceased is survived by his brother, Robert, of Cartwright, Manitoba; and two sisters, Cecelia and Margaret, of Georgetown. The late Mr. Robertson was a member of the United Church, and a Liberal.

**MRS. D. R. HUTCHISON**, Milton, Ontario, died at her home there on Sunday morning after a lingering illness. She was in her 64th year, and was well known in the district. She was a member of Knox Presbyterian Church, and in 1918 was made a life member of the Women's Missionary Society, Nazsagaweya Presbyterian Church. Mrs. Hutchison was a daughter of the late Mr. and Mrs. Robert Irving, of Nazsagaweya Township. She is survived by her husband, four brothers and two sisters: Reeve John Irving, of Milton; Robert, of Alberta; David, of Nazsagaweya Township; William, of Tansley; Mrs. R. Z. Collins, and Miss Helen Irving, of Milton.

**MRS. E. J. GOLLOP**, Norval, Ontario, died at her home there on Sunday, in her 69th year, after an illness of little more than week, took place to Evergreen Cemetery, Milton on Tuesday afternoon. Mrs. Gollop, born in Milton, was a daughter of the late John R. Mitchell and Melvyn Dewar Mitchell, of Milton. Before her marriage she was Amalia (Mills) Mitchell. She spent most of her girlhood in Milton, prior to moving to the west coast, living at Vancouver at the time of her marriage, she and Mr. Gollop removed to the New Westminster district, whence they came to Norval in 1930. Mrs. Gollop is survived by her husband; a brother, Charles, in Vancouver; and two sisters, Mrs. Colin A. Campbell, of Edmonton; and Mrs. Margaret D. Ross, St. Petersburg, Fla. Gollop, Norval; and John Stewart, Everton.

**THOMAS COX**, Erasmus, Ontario, one of the oldest and most respected members of the community, passed away on Monday at his home on the 7th line of Erasmus, in his 80th year. Thomas Cox was a man of sterling character and his sane advice and good judgment were much respected and relied on by his neighbors and friends. His kindly disposition and keen Irish sense of humor made him very popular with young and old. Mr. Cox was a member of the former Methodist and later the United Church, and was a Conservative in politics. He always took an active part in all community affairs, serving on the School Board, the Erasmus Council and acting for many years as Faith Master. He was born, lived and died on the farm to which his parents came from Queen's County, Ireland, over ninety years ago. The farm was a wilderness then, and as his father died when he was only a boy, to Thomas Cox goes the credit of building up one of the finest and most up-to-date farms in the community. He was one of a family of five, of whom two are still living: one brother, Edward, who is now in his 81st year, and lives near Shiloh; and a sister, Mrs. Wm. Bowley, now living in Perth. Two sisters, Mrs. Wm. McLeland, of Garatara; and Mrs. Wm. Cox, of Toronto, are deceased. In 1887, Thomas Cox married Jane Green, of Erin Township, and she and the following sons and daughters are left to mourn the loss of an ever loving and devoted husband and father: Annie, Mrs. James Hindley, William, of Landis, Sask.; John, of Blusky, Alberta; Frederick, on the adjoining farm; Harold and Edward, at home; Marjorie, Mrs. Earl Jessop, of Orton; and Herbert, of Vancouver. One son died in childhood, and the oldest son, Albert, two years ago, and Ernest, who served in the Royal Air Force, died in 1921.

**ANIMAL WIKERS**  
A salmon taken in the nets at Gweedore was marked and released. Twenty-four hours later it was taken sixty miles away at Ballyshannon. Good going, yet not equal to the travelling powers of the seal. Seals marked on the Pribilof Islands in the far north have been taken in the Antarctic, 10,000 miles away. They have covered that distance in five months. Most wild creatures are home-owners and spend all their lives in one district, but there are exceptions. The caribou break north in spring and south in autumn. They move in herds as large that they will take forty-eight hours to pass one spot, and they cover between fifty and seventy miles daily. Elephants move in small herds at irregular intervals. They travel by night and, considering their weight, it is remarkable that they can cover fifty miles between dusk and dawn.
