Acton Defeated Georgetown 8-7

(Continued from Page One)

Umpires - Plate, Chisholm, Milton; bases, Scott and Herbert, Georgetown. NOTES Well, that is win number one, and against Georgetown, at that. My! My! Telfer settled down and pitched a very nice game after the first inning. Everybody had a hand in the win, and all played a good game, but we imagine Waterhouse and Terry will be the most talked about. Both put the spectacular finish to the game. "Pat" Walters was no puzzle to the locals. He was touched for 16 hits, including a home run, four triples and a double. "Bob" Anderson accounted for two of the triples, and Terry and Matt. Tyler had the other two. Bill Waterhouse had both the homer and the double.

This is the first game that "Lefty" Motion hasn't taken part in since the end of the 1933 season. He would feel sort of out of place on the bench. There is going to be quite a race for the leading batter, as there are good sluggers on every team. Scott, of Georgetown, didn't make a very good job of umpiring the bases. He called one raw decision against Georgetown, and when he called one against Acton, everyone thought he was just evening things up. But when he insisted on calling them against Acton, and robbed them of at least three runs, it was time for a change.

Herbert, of Georgetown, took his place. He did very well, although he called one Acton man out at third base, and Bill Chisholm, of Milton, the ball and strike ump, overruled him and called the man safe. Guelph had an easy time with Brampton, winning 21-4. However, this Brampton outfit is getting better all the time, and will be tough to beat before long.

The paid attendance was 254, and the nearest guesses were E. Anderson, 253, and R. Parkinson, 255, who divide the 25-lbs. of sugar offered as a prize.

Acton plays in the Flower Town next week; Georgetown goes to Guelph.

SHOWER AND PRESENTATION

By the U. F. O. Clubs to Miss Elva Johnston and Mr. Alfred Winter - Enjoyable Social Evening was Spent. A miscellaneous shower was given Miss Elva Johnston and Mr. Alfred Winter at the home of the former's parents, Mr. and Mrs. F. O. Johnston, on Thursday evening, May 23rd, by the U. F. O. Clubs and neighbors. There was a short program, consisting of readings by Mrs. Fred Anthony and Howard Switzer, and musical selections by Earl Scott and Harry Smethurst, J. J. Stewart and Melvin McCullough. The following address was read by Miss Muriel Crossman: Acton, May 23rd, 1935 Dear Elva and Alf: We, the members of the U. F. O. Clubs and Cheerio Club and the neighbors are very pleased to have the pleasure of spending this evening with you in honor of your approaching marriage. It is difficult to express to you, Elva, our appreciation of your efforts as a member of our club, especially during the past year as our Secretary. Your contributions to its success have been whole-hearted and generous. We have been pleased to have you, Alf, as a member this year and assure both of you a hearty welcome whenever you can be with us in the future. As a slight token of our esteem we wish you to accept these gifts. We hope they will remind you of our good wishes and of the happy times spent among the members of the U. F. O. We earnestly wish both of you health, happiness and prosperity in the years to come. (Signed) FRED ANTHONY, ARTHUR MCGOWAN, MONDEL CROSSMAN. A large basket, decorated in pink and white, filled with gifts, was presented by Mrs. Fred Anthony and Alleen Claridge. Mr. Winter thanked the givers on behalf of Elva and himself. Refreshments were then served and the rest of the evening spent in dancing.

FUZZLED

Peter, aged six, was given two-pence and had been forbidden to buy a water-pistol. "What happens if I do buy a water-pistol, Mummy?" "You will have a good smacking and be put straight to bed." "Yes, I know all about that, but whose water-pistol will it be when I get up?"

Acton Juveniles Lost When Visiting - Getting Ready for League Opening

On Thursday night the juveniles played their return game at Hillsburg. They outfit Hillsburg again, but just couldn't come through at the right time. These two games and the one they may play on Saturday here with Rockwood, should put them in "the pink" for their opening league game in Oakville on June 5th.

Halton Plowmen Plan Junior Match

Under the leadership of President Stanley Hall and his fellow officers, a plowing match for junior farmers under twenty years of age is being held at Gordon, Chisholm's farm, near Hornby, on Friday, June 7th. All four Township Councils have made small grants to encourage the plow boys and separate classes will be held for each Township. The officers of the Plowmen's Association are leaving no stones unturned to ensure a successful turnout and are offering to provide teams for those who come from a distance. It is a generally accepted fact that a good plowman is also efficient in other branches of farm work, and hence the reason why the junior match and demonstration receives the support of members of the Township Councils and other leaders in the County. Halton has long been recognized as a county of good plowmen, and if the laurels won in the past are to be retained the younger boys must be encouraged and developed.

SUBMISSION FIRST

There are cases frequently occurring in the methods of Providence in which, notwithstanding all their prayers and desires, all their reasoning and strivings, they cannot quiet their hearts fully in the disposal and will of God; but, on the contrary, to find all their endeavors in this matter to be but as the rolling of a returning stone against the hill. Till God say to the heart, be still, and to the will, give up, nothing can be done. - John Flavel.

MAKING SURE

The Scotsman was fumbling in his pocket. "You don't need to pay me in advance," said the dentist. "I'm no' going to," was the reply. "I'm only counting ma money before you gl'e me gas."

Visitors' Night at Council Monday

(Continued from Page One)

In cases left over from the last meeting, Receipts were produced as evidence of payment of rent in the cases of Messrs. James and William Waterhouse. It was decided to leave decision on these questions until more authority had been secured, and the matter was to be decided on June 10th. The Clerk was instructed to write the Municipal World for advice on the matter. Court of Revision was adjourned until that date.
