This and that

The King's birthday on Monday. Gardens and crops are making real headway now. The rain of the week checked a bush fire in the Artell district that was causing quite an alarm. What could have been more welcome than the showers that came on Monday and Tuesday. The Government has ordered an audit of the municipal books of the Village of Beamsville. The safety of cooking by electricity is stressed in this week's electric cooking campaign on Page Three. The hoe and the lawn mower will come into commission again—queer how some things grow so rapidly. For reasonable items and reasonable prices consult the advertisements before going shopping. It's easier. Seems as if the Acton Band lends a hand in everything about the community. They were on hand on Saturday. Some of the most enthusiastic swimmers have tried the water this season but the beaches are not yet generally sought. The old building on Mill Street, next Johnstone & Humbley's, has been demolished to make way for Symon's new hardware store. Counterfeit United States federal banknotes of \$10 and \$20 denominations are said to be in circulation. Watch for them. The eleventh annual meeting of Hamilton Conference of the United Church of Canada is being held in Guelph this week. The dust nuisance about town will be ended for the summer. Following the rain the calcium chloride is being applied to the roads. Rev. Dr. A. C. Howard has resigned as pastor of Knox Presbyterian Church, Georgetown, and accepted a call to Palmerston Presbyterian Church. In the report of the Dublin Institute officers, Mrs. Barber was given as one of the directors and Convener of the Committee on Legislation and Immigration. This should have been Mrs. W. Bracken in both instances. We regret the error.

Milton and Norval Farmers Visit Acton The Milton Junior Farmers and Norval Junior Farmers visited Acton U. P. Y. P. O. Club on Tuesday, May 21st, in the Town Hall, Acton, with a good crowd in attendance. The program opened with "The Maple Leaf." A welcome was extended by Mr. Arthur Wood, President of the Acton Club. Mr. Agnew, President of the Milton organization, then took the chair and the following program was given: Cornet solo, Mr. Nickle, with Mr. McArthur as accompanist; slides on Northern Ontario; Mr. Whitelock; solo, Mr. Packard; humorous skit, "Mellow Drama"; duet, Mr. Nickle and Mr. McArthur; Mr. Arnold, President of the Norval Club, presided over the following numbers by the Norval members: Musical number, Jack Dan and Bud Kentner; solo, Alexina Sinclair; piano solo, John Bird; reading, Jos. Lyons; step dance, Fergus Dolan; musical number, Jack Dan and Bud Kentner. The program closed with the National Anthem. Lunch was served by the Acton Club, and a very social time was spent in dancing, with music by the Lindehouse Orchestra.

DIAGNOSIS

Little Julia's sister was ill, and she was told to go and thank Mrs. Hogg, a neighbor, for sending flowers to the hospital. "Mother sends the compliments of the season, and I was to thank you for the flowers," exclaimed Julia. "That's all right," replied Mrs. Hogg. "And what is really the matter with your sister?" "Doctor says she has a coat on her tongue, and an ulcer in her stomach," was the startling reply.

Entered Into Rest

MRS. PETER CLARK One of the pioneers of Puslinch passed away in the person of Mrs. Mary Clark, widow of Peter Clark, of Moffat, who predeceased her in 1923. Surviving are two sons, John Clark and Duncan Clark, of Moffat; two daughters, Mrs. Annie Campbell, of Milton; and Mrs. Harry Donaven, of Moffat; one brother, Peter McKenna, of Landis, Sask.; and one sister, Mrs. David Clark, Guelph. One daughter, Mrs. Robert Murray, passed away in 1918. The funeral service, which was held from the home of Mrs. Donaven, and was conducted by Rev. P. Matheson, of Duff's Church, with burial in Crown Cemetery, Puslinch. The pallbearers were Ernest Clark, Donald McKenna, John Campbell, Wm. Holmes, Edgar Elenon and Thos. Amos; and the flower bearers were four grandchildren, Mary Clark, Isabel Campbell, Cameron Murray and Harold Donaven.

MISS HOPE DOWNES, Guelph Acton Friends of Mr. and Mrs. O. A. Downes regret to learn of the death on Tuesday of their daughter, Hope, at the home, 77 Bellevue Avenue, Guelph. She had been ill for just a week, and was fifteen years of age. Since undergoing an operation three years ago, she had patiently suffered from loss of her sight, but was of cheerful disposition and was rapidly mastering the study of Braille. She was also adept at wicker work, which she did at home. The deceased was born in the Province of Quebec, but had lived in Guelph since she was eight years of age, removing from Acton to that city. She was educated at the Central School, which she attended until her operation three years ago. In religion she was a member of the congregation of Chalmers United Church, and was also a member of that Sunday School. Surviving are her parents, Mr. and Mrs. Clarence A. Downes, and three brothers, Roger, Osborne and Milton. The funeral took place this (Thursday) afternoon at two o'clock, from the residence of her parents, to Woodlawn Cemetery, Guelph.

JAS. W. WINGROVE The late James W. Wingrove, of Aberfoyle, who passed away at Guelph General Hospital on Saturday, had been ill for a number of years. He was a son of the late Daniel Wingrove and Elizabeth Cunston. He was born in the Township of Nassagaweyn, near Moffat, sixty-six years ago, February 25th last. Twenty-six years ago he bought the farm now occupied by his son at Aberfoyle, and lived in that vicinity until his death. In 1893 he married Miss Janet Wright, of Corwin, who, with one son, Roy; two daughters, Mrs. Y. Malby, Mrs. C. Malby, Jr.; one brother, Henry, of Moffat; two sisters, Mrs. Bowman of Guelph; and Mrs. A. MacLean, of Morriston; and eleven grandchildren, survive. One daughter, Martha, died thirty-seven years ago. In religion the deceased was a member of the United Church, before union being a Methodist. He took an active part in all activities relating to the church. The funeral service at the home of his son, on Monday, at two o'clock, was very largely attended. Rev. Mr. Mann, of the United Church at Aberfoyle, officiated. Interment was in Crown Cemetery, Puslinch.

MRS. MARY PATTERSON Mrs. Mary Patterson, well-known resident of Stratford for the past 30 years, died at her home, 12 Kent Street, in that city, on Saturday, following an illness of about two weeks' duration. Mrs. Patterson, who was 69 years of age, died of a heart ailment. In her passing a wide circle of friends and acquaintances lose a true and sincere friend, and her death will be mourned by many in the city. Mrs. Patterson, who was formerly Miss Mary Storey, was a native of Acton, a daughter of George Storey and Rose Mulholland. She went to that city about 30 years ago, and shortly after going there was married to Robert Patterson, who died about four years ago. Prior to going to Stratford she had spent her entire life in Acton. Mrs. Patterson was a member of St. Joseph's Church, and a member of the Catholic Women's League. Surviving are a brother, Thomas Storey, of Acton; and a sister, Mrs. Lucy Weavers, of Stratford. The funeral service was held on Monday morning at St. Joseph's Church, at 9:45 o'clock, when Rev. Father S. J. MacDonald sang mass of requiem. Following the mass at the church, the remains were brought by motor to Acton, and interment was made at Dublin Cemetery. Pallbearers at Stratford were T. O'Mynn, P. Rella, T. Peemey, James Spencer, W. Kirk and Joseph Brown. Spiritual offerings and floral tributes were received from Mr. and Mrs. Dillbin, Mr. and Mrs. W. Kirk, Mrs. Lucy Weaver, Catholic Women's League, Miss Helen O'Maherty, Mrs. McCordle and Mrs. J. P. Malloy, Mr. and Mrs. P. Wahl, Mr. and Mrs. H. Woods, Mulholland family, of Acton; Thomas Peemey, Miss Cayline Barvitzky, Mrs. J. Hall and Alex. Mrs. J. Sayers, of Acton; Miss T. Maherty, Miss S. Schmitt, Rita Kirk and George Miller, Mr. and Mrs. Isabel and family, Mr. and Mrs. Charles Smith, Mr. and Mrs. Ed. Gatchene and P. Rella.

Boy Scout Notes

An interesting feature of the St. Alban's Troop meeting this week was a report by Robert Foblett and Frank Holmes on their experiences at the Forestry Camp. About 130 Scouts from all over the Province attended the camp. Some boys came all the way from Niagara. Our local Scouts were put in a group called the "Maples." Their group was successful in winning the baseball championship, and also the "model camp-site" competition. The Forestry Camp program included games, hikes, instruction, swimming, talks, camp-fire entertainment of a patriotic nature, a trip to the Midhurst tree nursery, and actual tree planting on reforestation grounds. At the close of the camp each boy was given four or five trees to take home. The trees brought back by the Acton Scouts have been planted, and are said to be progressing nicely. With the holiday season not far away, the St. Alban's Scouts are beginning to think about a summer camp. Several camp-sites have been visited and the Troop Committee is making preparations which it is hoped will enable the Troop to hold a camp this season.

Various Interesting Items of News

Big Holiday Crowd at Huttonville The twenty-fourth of May was well celebrated at Huttonville Park. Many from Toronto spent the entire day in the open and enjoyed themselves playing ball and fishing and a few even ventured into the deep waters of the Credit. One of the largest crowds on record attended the evening dance and enjoyed the new orchestra, Ralph Blinckhorn and His Melody Boys. This band pleased the crowd so well that the management engaged them for the season. The floor-show was a great attraction and their demonstrations of the new dances proved very popular. Hutton Juniors are Active The club program initiated by the Milton Branch of the Ontario Department of Agriculture, during the past few years, is again being stressed this year. Calf clubs have created a good deal of interest in the past and some forty boys and young men are enrolled in this project for 1935. Two grain clubs, with a total membership of 35, are also launched. That the girls of Hutton are also receiving consideration is substantiated by the fact that three girls' garden and canning club projects have been organized and it is planned to organize five or six clothing clubs during the next week or so. We understand that in co-operation with the Acton Fair Board a boys' football club will be organized during the next few weeks. Taking everything into consideration, 1935 looks like a banner year for club work in Hutton. Eight Persons Rescued as Guelph Home Burns Eight persons were rescued in their night attire when fire swept through the home of Arlene Molson, 186 York Road, Guelph, during Saturday night. The family, all asleep when flames broke out in the rear of the dwelling, were awakened by Kenneth Gemmill and Hugh Blackburn, who forced in the front door and carried four small children from the blazing home. Mr. Molson and his wife were also assisted from the building by the two young men. Just as the flames were gaining considerable headway in the frame dwelling, Mr. Molson, who had been ill for some months with a heart condition, was taken to St. Joseph's Hospital suffering from shock, while other members of the family were cared for by neighbors. The damage, which was confined principally to the attic and rear of the house, amounted to considerable.
