HUSBAND and FAMILY.

This and that

To-morrow is the longest day of the year.

There is no complaint now of lack of moisture.

School is over for the summer for some of the pupils.

Just another week of June — and school for the children.

It's been rather hard on the garden parties — we mean the weather.

The foundations have been commenced for the new Syncon block.

A rain that started Sunday night and lasted until to-day gave everything a real soaking.

They shopping is done by consulting the ads. First. For values see the Fax. Fax columns this week and every week.

It is said the rainfall of the last few days was more than the period between May 24th and the end of August last year.

The work of dismantling the bicycle line is now proceeding east of Acton. The material has been removed west from Guelph to Acton.

That prophesy of the Grand River drying up this year wasn't for this week. The river is reported as nearly at spring flood level.

A bee in an automobile was responsible for drenching a car and injuring four people in an accident near Brampton on Sunday — the busy little bee!

The power interruptions of both Monday and Tuesday were caused by limbs of trees on Church Street being blown across the power lines.

Saturday evening was one of the busiest seen in Acton for some time. Cars were parked in rows on every street off Mill Street, as well as filling the street.

The band concert by Acton Citizens' Band on Sunday evening was a splendid one and well attended. The program was well chosen and well presented, under bandmaster Bert Mason.

Rev. Dr. A. Barner was the special speaker for the services in the United Church on Sunday in observance of the tenth anniversary of Church Union. The service was in charge of the pastor, Rev. Mr. Poole.

LEADING HITTERS IN THE TRI-COUNTY LEAGUE

Richardson, Brampton, is leading the parade with a healthy average of .530. During the last few games with Acton he has been hitting the ball very regularly. He is only a few points behind the leader, with .526. The first Acton man is Holloway, with an average of .400, and he is in 8th place. Haddock, of Guelph, is ninth, then Jack Waterhouse, Fred Waterhouse and Terry, of Acton, follow in order, to give Acton four men in the first twelve. Jack Waterhouse is in second place among the Acton hitters, and it is very good, considering this is his first year in organized ball.

The Feature Film of the Year. That outstanding screen production, "Sequoia," will be the feature at the Gregory Theatre, Acton, on Friday evening. Concerning this picture Zane Grey, the well known author, makes the following statement: "Last night I saw the preview of, not only the best outdoor picture I have ever seen but for me the greatest picture of the last decade. It was taken in the wilderness, among the big trees, a singularly beautiful setting. The principal roles were taken by deer and mountain lions. Jean Parker... plays the part of a woodland girl... a lover of wild creatures... she is simplicity itself, and all we could wish of youth and beauty and charm. But outside of Jean you hardly realize the other human characters... It is only a motion picture, but it tells the truth. The children and the young folk and the lovers will make of "Sequoia" a grand success. It is a splendid augury of future pictures. Mr. Chester Franklin, the director, is to be congratulated upon a picture of supreme artistry."

Acton Won and Lost in Close Contests

(Continued from Page One)

ages have sure taken a drop in the last few games.

Holloway and Allison were the big hitters, each with two out of two.

Terry got a nice mud bath when he went after a fly ball in the third, and fell into a puddle in the outfield. He went out of sight for a minute, and when he appeared again nobody would believe it was the same man.

"Minute" is still out of the game with his sore thumb, but he hopes to be back very shortly.

In the last couple of weeks Brampton has lost some tough games. They got good enough pitching, and they hit all right. But there is room for improvement in their fielding and base-running.

This is the third one-run decision that Brampton has lost.

The game between Guelph and Georgetown was postponed.

GUELPH 1 — ACTON 0

Acton lost a close game last night in the Royal City to Joe Kaine's Peacocks by the score of 1-0. It was a fast, interesting game and by far the best this year. It was run off in the fast time of 1 hour and 17 minutes, which is something of a record for a nine-inning game.

There was a lovely pitchers' battle between Cooke and Morton, with Cooke being just a trifle better. He let Acton down with four safeties, and while Morton was touched for seven, they were well scattered, and the only runs Guelph got more than one hit was in the fifth, when Brown and Ridley both collected safeties. There was excellent mound work and fielding all round by both teams.

Guelph got their only run in the second, when W. Robinson was hit by a pitched ball and went to first. Bob Anderson then tried to pick him off first base, but he threw over Holloway's head, Robinson went as far as third, but couldn't squeeze across another run.

When Neen had men on base he bore down on the local boys, and did some wonderful pitching. He also had excellent support from the infield and they got everything that came near them. The outfield did some nice work too, although there was a couple of fly balls they looked bad on. Acton couldn't get a break at all and had a lot of difficulty hitting Cooke's curves. Only thirty batters faced the Guelph hurler, and the side was retired one, two, three in seven out of the nine innings. Heer, in the outfield, robbed Acton of at least two hits by sensational running catches in the outfield. Walters, at short stop for Acton, also played a sensational game after his three-game lay off. He stopped everything that came near him, also caught some nice fly balls behind second base that looked like sure hits. You will get a better idea of the game from the box score:

Box score for ACTON vs GUELPH.

SUMMARY

3 base hit, Kaine; 2 base hit, Manning; stolen bases, Ridley, Heeg; Sacrifice hit, Heeg; struck out, by Morton, 3; by Cooke, 4; walked, by Morton, Cooke; hit by pitcher, by Morton, W. Robinson; left on bases, Acton 3; Guelph 7.

Batteries — Morton and Anderson; Cooke and W. Robinson.

Score by Innings: R. H. E. Acton 0 0 0 0 0 — 4 1 0 Guelph 1 0 0 0 1 — 7 0 0

Umpires — Chisholm, Milton; McQuarrie, Acton.

NOTES: It was a great game to win and a tough one to lose. There was very little to choose between the two teams, and although Guelph had more hits than Acton, Morton bore down when they got on base, and they were left stranded.

Put us in mind of the Acton-Milton struggle.

The one-run Guelph got was a tough break. It is breaks like that that win ball games.

One hour and seventeen minutes is about the fastest game Acton has ever played in. In fact, we think there has

been very few games played anywhere in such quick time.

Heeg fielded sensational in the outfield and can save over a lot of ground. We think Walters was the best infielder on the night's play. He made some wonderful stops and throws and pulled down a couple of fly balls that looked like sure hits.

Robinson, the third sacker for the Peacocks, also fielded a nice game and handled his chances perfectly.

W. Waterhouse and Ridley were the only hitters to collect more than one hit.

LAST WEEK'S RESULTS: Saturday — Acton, 5, Brampton, 4; Guelph at Georgetown, postponed. Wednesday — Guelph 1, Acton 0.

GAMES IN NEAR FUTURE: To-night — Brampton at Georgetown. Saturday — Brampton at Acton; Georgetown at Guelph.

Wednesday — Guelph at Acton; Georgetown at Brampton.

LEAGUE STANDING: Guelph 6 6 0 1.000 Acton 8 5 3 .625 Georgetown 6 2 4 .333 Brampton 6 0 0 .000
