ACTON 12 - BRAMPTON 10 Acton won their sixth victory on Saturday when they beat Brampton by 12-10. Brampton outhit the locals, 11-9, but 10 errors in the infield accounted for the visitors' downfall. It was rather a drab affair, and a yery slow game, with poor neiding by the visitors, Acton having but two earned runs. Both starting hitchers were pulled; Cripps, for the locals not finishing the first frame; and Kitchen, of Brampton, lasted until

the fifth. Oripps, who started for the locals, had an off day, and the Brampton boys pounced on his offerings. Plant, man up, got a single; Savage then a walk; and Richardson fanned. Then Morgan got a single to load the bases. Brown got safe on a fielder's choice, and Plant scored, with the bases still loaded. Thopling then knocked out a long triple, clearing the paths; also clearing the hill-top of Cripps, who was replaced by Teller. Anthony collected a single from Telfer, to score Tippling, and also to bring Bramoton's total for the inning to five runs and four hits.

Things looked bad for the locals, but Kitchen proved wild, and both Terr and Walters drew passes, and both scored, giving the home team two runs without a hit.

Telfer was working swell against the tion. Bramptonites, and held them scoreless until the eighth frame. Acton, however, took advantage of the visitors' muscues and by the seventh had piled up a lead of six runs. In the eighth, however, Tommy weakened a little, and two singles, a triple and a wild throw by Walters, at shortstop, accounted for three, to put them within three runs of the local boys. In the eighth, a single by Pred Waterhouse, assisted by two errors, presented Acton with another counter, to put them four up.

Brampton were not finished yet, and Anthony, first man up in the ninth, knocked out a triple. This was followed by-a single from Wheeler, to give the visitors another counter. The nex two men went out, with Wheeler advancing as far as third. Matt. Tyler then dropped an easy fly in the outfield to let Wheeler score, and give Richardson a life, and put Brampton within two runs of tying it up. Tommy, however, ly Ilva Rozwell and Rebecca Munter. went to work on Morgan, and added another strike out victim to his list, to finish the game, and send Brampton Robert Nodwell. home with their seventh straight defeat.

If the Brampton fielders had been on their job things wouldn't have been so casy for the local boys.

Although they collected 9 hits, there were only two innings when the locals had more than one. And two carned runs was all they managed to get.

HALTON UNION COMPANY'S PICNIC in Spite of Unsuitable Weather a Very

Pleasant Outing was Held - Wm. Overland Won Fiddlers Competition

Due to unfavorable weather conditions the picnic of the Halton Union Parmers' Mutial at Stanley Park on Wednesday, June 19th, was not as largely attended as had been anticipated. However, although the morning was anything but favorable, the afternoon brightened considerably, and by evening the weather conditions were ideal for the closing event of the day, namely, a baseball match, the teams of which were largely composed of Hillsburg and Erin boys, who staged a game before a large audience.
