

Personals

Miss Dorothy McPherson visited relatives in Toronto last week. Mr. and Mrs. J. A. Robertson, of Toronto spent the week-end with Mrs. T. Scott. Mr. Ted. Hansen left on Tuesday morning to resume his studies at the University of Toronto. Mrs. A. E. Nicklin spent New Year's in Guelph, the home of her son, Mr. H. S. Nicklin, and family. Mr. and Mrs. Elmore Johnston and Miss Betty, of Hamilton, spent the New Year holiday with Acton relatives. Mr. John Mann has returned from Truro, N. S., for a few weeks' visit with his mother and brothers and sister. Miss Audrey McComb, of Guelph, a graduate of St. Joseph's Hospital, has been successful in passing her R. N. examination. Miss Isabel Lantz, who received injuries to her head at a tobogganing party in Guelph last week, is now recovering nicely. Mrs. Charlotte MacDonald, Miss Corinne MacDonald and Mr. Gordon Johnston, of Hamilton, spent New Year's with Acton relatives.

Obituary

HERBERT N. TOVELL, Guelph For over 29 years a funeral director in Guelph, Herbert N. Tovell, widely known resident, died at St. Joseph's Hospital, there, after a brief illness. Born in Guelph, Mr. Tovell was a son of the late Nathan Tovell. He spent his entire life in that city, was a member of Guelph Lodge, A. F. & A. M., and attended St. George's Anglican Church. Surviving are one son, Leonard; one brother, Alfred; and two sisters, Mrs. J. Moore and Miss Belva Tovell, all of Guelph.

MRS. FRANK McALLISTER, Erin Mrs. Frank McAllister well-known resident of Erin Village, died on Monday at her home, in her sixty-eighth year. Her maiden name was Emma Falconer, and she was a native of Mono Township. As a young woman she was a school teacher at Blackton and Melville. Thirty-three years ago she married Frank McAllister and they resided on their farm north of Erin Village. Seven years ago they returned to the village. Surviving are one son, Leslie; and two daughters, Mrs. C. Harbour and Mrs. Norris, Sinclair, all of Erin.

JOHN R. VANFLEET On New Year's Day John R. Vanfleet, a native of Esquewaug Township, passed away after a short illness at the Hospital in Hamilton. He was sixty-nine years of age, and was a son of the late Nelson Vanfleet. In 1890 he married Miss Mary Mills, daughter of Mr. and Mrs. William Mills, who predeceased him in 1919. Seven children remain to revere his memory: Mabel, James, John, Hazel, Florence, Edna and Lawrence. The deceased was an adherent of the Anglican Church, and a member of the Orange Order. The funeral was held on Saturday from the home on the fourth line of Esquewaug Township. The service was conducted by Rev. Canon Naflet. Interment was made in Milton Cemetery, on Saturday, January 4th, 1936.

W. E. DOWNS, Haley's Station William Emerson Downs, noted bandmaster, died on Saturday at Haley's Station, near Renfrew, aged 60. Mr. Downs, native of Trafalgar Township, Halton County, received his education at Brampton, where he subsequently took command of a civic band which won three first and two second prizes in competition at the Canadian National Exhibition in Toronto. The musician went to Renfrew in 1925 as bandmaster of the Citizens' Band. He led it to victory three years in succession in the Ottawa Challenge Shield competition. Four years ago he moved to Haley's Station, where he owned a service station. His hobby was building boats. He is survived by his widow, two sons and a sister, Mrs. O. G. Johns, of Cobourg.

HERBERT J. BLACK Herbert John Black, of the Township of Eramosa, passed away in his sleep sometime Sunday night. He was a son of the late Mr. and Mrs. Hugh Black. He spent all of his life on the farm of his father and on an adjoining farm of his own. He was a successful farmer and took a keen interest in public affairs, both local and provincial. His grandfather, Elder James Black, was a pioneer having settled in Eramosa more than one hundred years ago. Mr. Black leaves one wife, Mrs. Jennie Wilson Black, and one son, John W. Black, of Georgetown; and two sisters, Mrs. Anna Tovell and Mrs. (Dee) J. P. McKimmon, both of Guelph; and one brother, Dr. J. E. Black, of Vancouver, B. C. The funeral was held on Wednesday, with a brief family service at the home, and a service in the Everton Church. Interment was made in Everton Cemetery.

WM. H. RUTLEDGE Port Credit A Peel County ballist for 40 years, William H. Rutledge died at Port Credit on Friday, in his 80th year. Deceased

FIRST BIRTHDAY PARTY

had Scouts but the dictators have abolished them. Mr. Elliott said that the toughest law to learn was to learn to obey. The Scout had no place in their ranks for cheaters or chislers. Neither has private or public life. A Scout should always support what he thinks is right, whether he is on the losing side or not. A Scout should always be thrifty with his time, money and health. The Scout organization is not a military organization, but it strives to make better men for to-morrow from the youngsters of to-day. The Scout promise and laws, if practiced, are helping to make the world a better place to live in. They are: "On my honor I promise I will do my best; to do my duty to God and the King; to help other people at all times, and obey the Scout Law." 1. A Scout is to be trusted—A Scout is trustworthy; he does not deceive, he tells the truth, he plays the game. 2. A Scout is loyal to the King, his country, his officers, his parents, his employers, and those under him—he puts his duty to them above and before any selfishness, and he sticks to them through thick and thin against anyone who is their enemy or even talks badly of them. 3. A Scout's duty is to be useful and to help others—He strives to do his duty faithfully and cheerfully and endeavors to do at least one good turn to somebody every day. 4. A Scout is a friend to all and a brother to every other Scout—A Scout looks for the best in the other fellow and makes the most of it and him. 5. A Scout is courteous—He is polite to all, especially women, children and old people. He does not take any reward for being helpful or courteous. 6. A Scout is a friend to animals—He does not inflict cruelty and as far as possible saves them from pain. 7. A Scout obeys orders of his parents, patrol leader or Scoutmaster, without question. 8. A Scout smiles and whistles under all difficulties—This is the outward sign of his inward attitude towards the tasks of life. 9. A Scout is thrifty—He saves and banks what money he can against a rainy day. 10. A Scout is clean in thought, word and deed—He does not give way to the temptation to think, talk or do anything dirty and keeps his body clean. There were guests present from Toronto, Brampton, Milton, Guelph and Galt at this first birthday party of the First Acton Troop of Boy Scouts.

WORLD'S LARGEST MICA MARKET IS LONDON

London is the world's big market for mica, followed by New York, Hamburg and Genoa. Due to his insulating qualities, mica has attained an important position in the industrial world. Two types are the most common in use, Phlogopite, or amber mica, and Muscovite, known as "ruby" or "green" mica. There is an increasing demand and, with the decreased output from Madagascar, it would seem there is an opportunity for Canadian mica to gain a firm foothold in the London market, provided due attention is paid to requirements in the way of trimming and only perfect flat mica is supplied, according to the Industrial Department of the Canadian National Railways.

Acton Trounces Oakville Again

(Continued from Page One)

for Guelph, and was sure a danger spot at any time. The Acton defence was carrying out their opponents better now; still, Woods was having plenty to do, but was unbeatable. Ambis was banished to the cooler. Brush was going nicely and was getting more assistance from Eard, who, earlier, had been trying to go through too far without passing. Bayliss was checking nicely on Acton defence. Guelph, after Ambis' return, worked hard around the Acton net, and Gibbons was waved off by the ref. for slashing. Woods was having plenty to do, and on one occasion had covered shots, one after another. Slade saved one what looked like a sure one, on a try by Bayliss. Wickham got the final penalty, for tripping. Acton were still trying desperately to save, but no results. The final score—Guelph 3; Acton 2. Penalties—Guelph, Ambis and Kelly; Acton, Gibbons. The line-up: Guelph—Goal, Slade; defence, E. Mason and Wickham; centre, Ambis; wings, Kelly and H. Mason; alternates, O'Connor, Kelso, Jones and Debray. Acton—Goal, Woods; defence, Gibbons and Armstrong; centre, Eard; wings, Molozze and Brush; alternates, Bayliss, Holmes, Bilco, Lambert. Referee—"Dude" Lindsay.

JUST JOTTINGS

Both goals were going nicely Thursday night; but on the night's work, Woods is our choice.

Acton first-line forwards are good in any company, but the alternates need considerably more experience.

Our defence could stand a bit more coaching in keeping men covered and getting them out of the play; but the season is young yet.

Ambis, Guelph centre, is a nice play-maker. He does not carry in too far and is not afraid to pass the puck when opportunity presents. He was having trouble Thursday night with his skates, but is a nice player.

We felt sorry for Lindsay. He was in a tough spot, but came through very nicely and refereed a good game.

When the Acton first line used a Hillo combination they got right in on the Guelph goal. Too bad they waited till the last period to open up.

Elera held Guelph to a 2-2 tie on Friday. Looks as if the Junior group is going to be pretty close.

Acton Trounces Oakville Again

(Continued from Page One)

for Acton, got their second goal, on a well-earned play, in which several assisted. Bayliss was again sent to the cooler on a minor offence. During his absence Acton seemed to do better defence playing. Play was quite fast and both goals were called on to save. Brush and Lambert both tried, but no success. Play was up and down the ice, neither team doing much back-checking, but the Elera squad were better on the combination play. Eard and Molozze made nice tries for Acton, and the play was around the Elera goal when the period ended. Score—Elera 3, Acton 2. Penalties—Acton, Bayliss 3; Elera, Dreyer.

In the second period, Acton were apparently determined to tie the score. From the face-off they gave notice that must work. Eard went right through for a nice shot. The play was fast, and rushes were frequent. Woods was saving many and Anderson was being called upon to make saves also. Shots that made the crowd, which was about the same size as an Acton Junior assemblage, gasp, were turned aside by both, although Woods of the two goalies, was having the most to do. The Acton defence will stand more coaching on covering and clearing out of danger. Bilco, of Elera, was waved to the side by the ref., and Acton tried turning on the power. Just after Bilco was banished, Bayliss was sent to join him. Lambert tried a nice shot, but Anderson saved. Woods saved a couple of Elera tries. Lambert again tried hard, but Anderson was too much for him. Shortly after Bilco and Bayliss returned, Water was banished, and Acton again turned it on. Brush made a nice try after about 10 minutes of play, and succeeded in beating Anderson, and tying the score. Eard was sent to the "house-gow" but Acton managed to hold Elera off, although Woods was given plenty to do. Acton seemed to regain confidence with the tying of the score, and were doing better combination play. The sounding of the bell found the score tied, 3 all. Penalties were received by Bayliss and Eard for Acton; Bilco and Walser for Elera.

The third period opened with both teams trying desperately for the lead. Play was still quite fast, and both goals were called upon to make nice stops. Bilco, for Elera, was going good and got the goal that broke the tie after about five minutes of play. Acton were then in rather a bad position and four forwards were put on the ice in an endeavor to again get the equalizer. This seemed to bother the Acton team and Elera were able to break through time

after time and Woods was forced to be good to save. The ice was becoming quite sticky and some goals were used. Dreyer, of the Elera defence, was punished for tripping, when Brush was sent skidding head-on into the boards. It looked accidental. Acton then tried gangling, Anderson saving on nice shots by Bilco and Eard. Tyler was then given the thumb to the cooler, and Elera turned it on in a big way, while he was off. Quinn got their second goal of the period, and then Chapman got goal No. 3. Play seemed to be at the Acton end for several minutes. Although the Acton cause seemed almost impossible, the locals did not give up, but gave all they had right through the entire period, but it was just not quite enough. Ridley finally scored what proved to be Elera's final goal, on a nice pass from Chapman. Both teams still tried hard for more goals but nothing was forthcoming. During the final period, Acton were playing four forwards a good majority of the time, trying to get a break, but were out-ganged and did not score. Acton were in the Elera end when the final bell was sounded. Final score—Elera 7, Acton 3. Penalties—For Elera, Dreyer; for Acton, Tyler.

The line-up: Acton—Goal, Woods; defence, Bayliss and Armstrong; centre, Eard; wings, Brush and Molozze; alternates, Holmes, Elera; Goal, Anderson; defence Dreyer and Walser; centre, Ridley; wings, Quinn and Bilco, alternates, Pritchard, Moore, Chapman and Cameron. Referee—D. Brush, Milton.

This Elera team are a good strong aggregation and it would not surprise us if they came out on top of the heap, in this league. Their players have had considerable experience and they work well together.

Acton and Elera were both calling out Bilco—Monday night. The boys are cousins, and are both smart hockey players.

Penalties were costly for Acton Monday night, no less than four goals being scored against them with men in the cooler. In the majority of cases the offence were not deliberate, but were costly anyway.

We sure appreciate that press box in Elera arena. It is heated and has a desk and everything. We also appreciate the help of Mendel, the Elera C. P. reporter.

Woods is a good goalie, boys, but don't let those opponents in too close, he can't stop everything.

After a study of that standing the Acton-Georgetown Junior game to-morrow night ought to be one of the best of the group from a local standpoint.

JUNIOR GROUP STANDING table with columns: Team, Goals, P, W, L, T, F, Agt, Pts.

JUNIOR GAMES NEXT WEEK Acton at Georgetown and Guelph at Elera to-morrow night. Georgetown at Acton, Monday. Acton at Guelph on Wednesday.

ACTON 4 - OAKVILLE 2 Acton went into Oakville on Tuesday night and tamed the Oakville Intermediates right in their own backyard. Just to say it was good "hockey" would be putting it rather too strong. "Shiny" would be describing it better. The ice was in a fair condition at the beginning of the game, but as the play proceeded it began to soften up, and became quite sticky. The Acton team had the best of the play from the drop of the puck, although Oakville seemed to want to roughen the play, and the locals obliged nicely.

Sticks were carried high and body-checking was carried on not only in the defence area, but also in centre ice. Jack Worthy, of Hamilton, let the play get pretty rough in spots, and the Oakville team took full advantage of this. When the final gong was sounded, Acton were on the long end of a 4-2 score; both Oakville counters being of a fluky nature. Acton certainly looked better than two goals on the night's play.

Play started off from the drop of the rubber with a rush, and both teams were going nicely, but it was evident that Oakville were of the impression they were going places. Play was back and forth, and shots were made on both goals. Lindsay made a nice shot on Good that made the crowd gasp. Play first at one end and then the other, and both net-minders were called upon to make stops. Mooney made a nice try. Good saving. Walters was banished to the penalty space, and with a man short, Acton made Oakville chase the puck as often as possible. Greer was called upon to save, and obliged. Oakville tried to gang, but Acton was equal to the task. Walters returned, and there had been no score. Greer was called upon to save from a mix-up in the Acton defence area. Mooney had another nice shot, but Good saved. Davidson was sent to the pen and then how Acton turned it on! While he was still off "Butch" Gibbons drew the first wave of the hand from the man behind the Oakville goal (there being no red light) on a smooth pass from Norm Morton. Shortly after Davidson's return, Worthy gave Norm Morton the thumb to the cooler. Play was then at the Acton end but Oakville could not take advantage of the extra player. Murphy and "Ims" Morton tried to have a go, but it was not seen by the

PRICE Price, as applied to flowers, is merely a matter of grade wherever the purchase is made. If you demand "first" blooms you of course pay the "first bloom" price. And in flowers, as in other things, quality is the test of cheapness. We can supply exactly the same grade of flowers and plants, at as good, and very often better prices, as any floral concern you may choose. We have 3,500 feet of glass devoted entirely to flowers and Pot Plants. Naturally direct from Greenhouses to you we have lower overhead and can give you quality and freshness at a reasonable price. We are anxious to serve and satisfy you.
