Much regret was felt in the village last week, when Fred Lambert went to his father's home and found that he had expired some time previous. The late Mr. Lambert had lived alone since the death of his wife some ten years ago, as well as working for near-by farmers, his chief labor being rebuilding fences. The funeral took place Saturday afternoon, service being held in Acton, and interment in Everton Cemetery. Besides his son Fred, he is survived by five brothers and three sisters, Messrs. Thomas, Herbert and Howard, of Guelph; Lorne and Andrew of Toronto; Mrs. R. Dron, of Acton; Mrs. James Forbes, of London and Mrs. James Near of Detroit. He was a member of the Orange Order and interested in school work in the Township. Since his serious illness in the fore part of the winter, Rev. John Little has lately recovered as to be able to celebrate his 81st birthday last week, March 31st. During the day he had several callers. S. Noble and Jack, of Acton, spent the week-end with Mr. and Mrs. Charles Meredith. The roads leading into the village are in very poor condition and will necessitate considerable work by the Council to put them into proper shape for comfortable driving. Work in the stone quarries is gradually opening and trucking is starting which may mean heavy traffic through the village. Much credit is due to the Educational Association of Halton County for sponsoring such a fine event as the Musical Festival held at Burlington last week with 700 competitors representing many of the Public Schools and High Schools of the county. Halton County has a record of being third in the Province for the number of schools entering musical competitions under supervision of a musical director. Music is uplifting and the urge to sing and play is with most people. We are very fortunate at Limehouse to have Mrs. Gowdy, as our supervisor of music and great credit is due to her for the successful work which the pupils have done. We are glad to report that nine trophies were received by Limehouse pupils, four gold medals, two silver medals, two bronze medals and the beautiful shield for High School girls' double trio. These trophies, however, are but a small thing in comparison with the great benefits received in countless ways from platform experience, endeavors and performances as well as from instruction received. The school choir this year was composed of much younger children than ever before, and they are just in the beginning of their development. Their singing was very sweet and the adjudicator pronounced them to be the most intelligent of all the two-part choirs. Several of the children who sang solos were on the platform for the first time and they shall be heard from in years to come as they gain in experience. In the piano numbers Mrs. Gowdy's pupils were very successful. Helen McGowan with 80% and Isobel Stephenson with 77% received the gold and silver medals respectively for playing "Dance Creole"—in the class under 16 years. Helen Meredith came close with 74%. Muriel Stephenson took 80% for playing "Le Cou Cou" in the class under 14 years and received the silver medal the highest mark being 81%. Norma Stephenson shared the honors with Murray Hall, of Burlington, for playing "Troika", in the class under 11, receiving a bronze medal. In the singing the children are all to be congratulated for their fine work. A gold medal went to Norma Stephenson for her solo, "A Birthday," and a bronze medal for her duet with Ruth Davis. In the High School girls' duet under 17, Muriel and Isobel Stephenson received the gold medals in keen competition with five other contestants in the duet "Silver Eyes." They received 85%, the highest mark given during the festival up to that time in the evening of the second day. Another honor which the Limehouse girls brought to Georgetown High School was the winning of the beautiful shield donated by Oakville Board of Education for High School girls' double trio. The girls in the double trio were Helen Meredith, Peggy Smother, Helen McGowan, Norma, Muriel and Isobel Stephenson. Others who will receive certificates of honor are Helen Meredith, Lorne Norton, Barbara Cousens, Vincent Barrett, Bobbie Brown, Teddy Brown, Shirley Wright, Grace Beerman, Gwendolyn Hill, Reginald Hassall, Ronald Davies, Raymond Hassall. Others who took part and performed very creditably were: Harold Brown, Glen Scott, Audrey Beerman, Doris Mitchell, Helen Barrett, Pamela Cousens, Lorraine Hassall, Fred Hill, Brandon Barrett.

The Mission Band of the United Church met on Monday evening at the Parsonage. Those taking part were: Helen Meredith, Muriel Stephenson and Shirley Wright. Plans were made for the Easter meeting, to be held on Sunday evening, April 19th. Joe Edwards has been spending a few days in the village before taking up work for the summer near Norval. The Women's Association, of the United Church has decided to collect bid tires, old mattresses, old clothes, rubbers etc.

Three elders of a Glasgow church were discussing the merits of their minister's sermons. "He's wonderful," said the first. "I mind him preaching three sermons from one text." "But that's nothing to old Jones," another. "I mind him preaching six sermons from the shortest text in the Book." "Oh," said the third man, puffing slowly and thoughtfully at his pipe, "that's nothing to my wife. She's been preaching at me for 30 years from no text at all."
