IN MEMORIAM

DILLS—In loving memory of George Dills, who passed away May 10th, 1935. There is a link death cannot sever. Love and remembrance last forever.

THE FAMILY.

LOCALS

Mother's Day—on Sunday. The trees are beginning to come out in bud. Victoria Day—two weeks from Sunday. We've had a taste of the good old summer time. The lawn mowers are getting into running order again.

The drinking fountain has been put into use again and of course is much in demand for a few days. Miss Elsie Atkinson sang a solo, "The Way of Peace," at Knox Presbyterian Church, Guelph, last Sunday morning.

OBSERVED 82nd BIRTHDAY

Friends and relatives of Mr. and Mrs. Thomas Mack gathered at their home on the townline, Ermacon, to congratulate Mr. Mack on attaining his 82nd birthday. Among those present were his four sons, William, Thomas, George and Frank, and two daughters, Mrs. John Lambert, Acton, and Mrs. Glendinning, and a number of grandchildren from Toronto, Acton and Erin.

HALTON JAIL APPOINTMENT MADE

Official announcement has been made that Frank McInven, a prominent farmer of Nassagaweya Township, and former Councillor of the Township, has been appointed Governor of Halton County Jail at Milton, to succeed John S. McCallum, who has held the position for several years.

A TYPOGRAPHICAL ERROR

While the local Hydro Commission undoubtedly had a very successful year, perhaps the paragraph from the report given last week in its phraseology and figures did not convey a true picture of the year. The net profit on the year's operation was \$2,792.41 as stated, but the depreciation was \$1,430.00 rather than the erroneous figure given last week.

VIVID DESCRIPTION

"Have you seen that gorgeous dress in Whollett's window? It's a sort of a funny color. Almost purple, but with a little pink in it and a bluish tinge. You wouldn't exactly call it mauve. It has little jagged all around the skirt that keep up with a little silver winkle on one side and has a long flowy thing on the shoulder with little whynotes on the end and a sort of a pinky, yellow splash at the waist."

The LETTER BOX

Some three years ago I wrote you of meeting Dr. J. E. Denyes of Lawrence College, Appleton, Wis. He was giving a searching address on "Formation of Character Through Environment."

J. S. COLEMAN, Turner Valley, Alta.

GRAFTING FRUIT TREES

Grafting is done to secure fruit similar to that produced on the tree from which the grafting wood is taken. One-year-old wood is used for grafts. The growth habit above a graft does not influence the growth below, and vice versa, nor is the fruit changed because of the variety grafted into. Many varieties may be grown true to kind on the same tree.

GRAFTING FRUIT TREES

The wood in which the scion is to be placed may be several inches in diameter, or only a little larger than the scion itself. Wood up to 3 1/2 inches in diameter is generally grafted by cutting off the stem six inches above a lower branch. This stub is split through the center and spread apart for inserting two wedge-shaped scions, one at each side. This is called cleft-grafting.

GRAFTING FRUIT TREES

Grafting should be done before the buds start to swell, usually from the first to the middle of May. A good wax is made of 5 pounds of rosin, 1 pound of tallow and 1 pint of raw linseed oil melted together. This is poured into water and when cool enough is worked by pulling until light yellow in color.

THE ONLY REASON

"Yes, it was a case of love at first sight."

FAIR OF FEET

Teacher: "Tommy, can you give me an example of a paradox?"

"Tommy: 'Yes, sir. A man walking a mile, and only moving two feet.'"

DINNER STORIES

IT'S THAT WAY

"The fat man and his wife were returning to their seats in the show after an intermission."

"Did I tread on your toes when I went out?" he asked a man at the end of a row.

"You did," replied the other, grimly, expecting at least an apology.

"The fat man turned to his wife. 'All right, Mary,' he said, 'this is our row.'"

Halton County Grant to Fair Increased to \$150

of County roads. The cost was \$480 per mile per year—not \$600.

Education Committee—Recommended payment of \$582.09 to Cookville High School and \$512.75 to Burlington High School, this being the balance due these schools.

Special Communications—A letter from Mr. Farmer, Acton, Clerk and Treasurer, asked Council to consider some form of remuneration to Municipal Clerks for work in connection with Old Age Pensions.

Moved by Mr. Irving, seconded by Mr. Finney, that the reports of the various Committees, as considered and amended in Committee of the Whole, be and the same report adopted.—Carried.

Moved by Mr. Hall, seconded by Mr. Hewson, that the mill rate for County road purposes for 1936 be 8/10 of a mill.—Carried.

Moved by Mr. Hewson, seconded by Mr. Byers, that the following accounts, as passed in Committee, be paid:

Table with 2 columns: Item and Amount. Items include Finance (\$2,075.77), County Buildings (208.50), Hospitals (2,260.40), Board of Education (1,094.84), Printing (151.95), Total (\$5,797.94).

County Road Liability Insurance, which was left over from last Council meeting again provokes considerable discussion.

County Road Liability Insurance, which was left over from last Council meeting again provokes considerable discussion. T. G. Ramshaw, Milton, George Gastle, Milton, and A. E. Wilson, Toronto, all representing Lloyds Insurance, waited on the Council. Mr. Ramshaw's tender was a premium of \$563.50; Mr. Wilson's, \$408.97.

It was finally moved by Mr. Parr, seconded by Mr. Hewson, that we accept the tender of A. E. Wilson, for our road liability, at a premium of \$408.97, at 10-20-2.

Mr. Allan took exception to the motion, owing to the fact that Mr. Wilson had not submitted a written tender and moved an amendment, which was seconded by Mr. McInven, that the tender of T. G. Ramshaw be accepted.

The amendment was lost and the motion carried. Council, upon motion, adjourned, to meet at the call of the Warden.

They Come Back For Bray Chicks Year After Year

WHEN a man buys 200 Bray Chicks...

And takes 204 out of the chick boxes—

And raises 201—

One more than he paid for—

And the 201 suit him "right down to the ground"—

What happens?

Well, naturally, he writes (as did this customer at Hannon, Ont.):

"I was certainly well pleased so will you send me this year's price list. I hope to have the same good luck this Spring."

And, ordering BRAY Chicks again, he can very properly expect the same "good luck." For, after all, it isn't good luck. It's good management. Bray Chicks are bred and hatched to behave that way. There's no reason why they should not do it for YOU, too. Order yours to-day, and see if they don't.

SCIENCE ADVISES AGAINST MEALS LOW

IN NEEDED "BULK"

Reports ALL-BRAN Supplies This Dietary Adjunct

Scientific tests have shown that meals which miss the proper "bulk" tend to cause common constipation.

This condition causes discomfort, and may lead to headaches, loss of appetite, even serious disease.

Avoid these faulty meals by adding Kellogg's ALL-BRAN to your menus. It supplies generous "bulk" in convenient form. This absorbs moisture, and gently exercises and cleanses the system. ALL-BRAN also furnishes vitamin B and contains iron.

The "bulk" in ALL-BRAN is often more effective than that found in fruits and vegetables as it does not break down within the body. Two tablespoons daily are usually sufficient. If not relieved this way, consult your doctor.

Kellogg's ALL-BRAN may be served as a cereal with milk or cream. Sprinkle over soups, salads, puddings, muffins, breads, waffles, etc. It adds a delicious nut-wheat flavor to your recipes.

How much better than taking patent medicines—sometimes harmful! ALL-BRAN is sold by all grocers. Made by Kellogg in London, Ontario.

Neighborhood News

Georgetown

Mrs. J. A. Willoughby, of Toronto has been spending a few days in town during the week.

Mr. and Mrs. D. W. Baxter have returned home after spending the winter in Florida.

A 1936 pullet, belonging to the flock of Mr. George Brown, of Norval, laid its first egg on April 22nd. Even the feathered chickens are hitting a fast pace these days.

The local Hydro Commission are busy arranging for the installation of the new street lighting on Main and Mill Streets, as ordered by the Town Council. When complete Georgetown's business section will be second to none in regard to illumination.—Herald

Oakville

Mr. C. M. Heddie, Park Avenue, has returned from a three-months' visit to Australia and the South Seas.

A clever presentation of the three act comedy, "Here Comes Charlie," was given in the Knox Presbyterian Church Sunday school, Monday, Tuesday and Wednesday evenings, under the auspices of the choir.

Frank Whitehead, of Toronto, died in St. Joseph's Hospital, Toronto, early on Thursday morning, following a head-on collision with a Direct Transport truck, 4 1/2 miles east of Oakville, on No. 3 Highway, at 2.40 a.m.

The death occurred in Hamilton General Hospital, on Wednesday, April 29th, of Annie Ganlon, formerly of Oakville, in her 75th year. The funeral was held from S. S. Russell's funeral chapel on Friday afternoon, at 2.30 p.m.

Reginald Blacklock, of Oakville, was successful in winning the gold medal for trombone solo in the open class at the Peel County Musical Festival, held in Stratford. He also won the gold medal in the class for competitors under the age of 21. Yesterday (Wednesday), he won the gold medal in trombone solos under 21 and the gold medal in the open trombone solo contest at the Peel County Musical Festival in Brampton.—Record.

QUICK RESULTS

A young man who had unexpectedly inherited a fortune decided to learn how to behave himself in society. He went to a school of deportment. A bowing Frenchman begged him to enter.

"Do you give lessons in deportment?" asked the young man.

"The best, m'lord," gushed the proprietor. "My system's perfect. Two weeks ago a young man like you, m'lord—the only take two lessons in deportment—then he was deported!"

"Science is a committee of ways and means; philosophy is a committee on resolutions and program."—Will Durant.

Erin

Rev. and Mrs. Merner are visiting with their daughter in St. Catharines.

Mr. and Mrs. Wm. Tarzwell and family have leased the May farm, west of the village, and have taken possession.

Mr. Harry Swinton has sold his farm, lot 18, concession 10, Erin, to Mr. Earl Hutchison.

Mr. and Mrs. Ronald McEachern and Mr. Malcolm McEachern have moved to their farm, on the fifth line, Caledon, for the summer.

Mrs. George J. M. Davis, townline, Erin, suffered a painful injury to her hand when she was pouring hot maple syrup into a jar, which broke, and severely cut her hand.

Forty-eight Hungarian pheasants were recently released in the local Government game preserve, south of the village. The birds seemed quite at home and it is to be hoped that all sportsmen will do their part to protect the birds.

E. E. Wilson, for the past fourteen years Secretary-Treasurer of the Caledon Agricultural Society, tendered his resignation to a meeting of the Directors, held last Thursday evening. The resignation was reluctantly accepted.

Mrs. George Roszell suffered a badly bruised arm when the door on the car in which she was riding suddenly sprung open, throwing her out on the road. It was at first thought her arm was fractured, but an X-ray revealed the true story. She had, however, been nursing a severely bruised arm and shoulder.—Advocate.

HOW WAS HE TO KNOW?

The sergeant drilling the awkward squad was beginning to lose his temper. "Attention," he ordered. "About turn!"

quickly followed other commands until he finally roared: "As you were!"

All shuffled back into the 16th position except Private Jones, who stood gazing vacantly around the square.

"Jones," snapped the sergeant. "I said, 'As you were.'"

"I know, sergeant," replied the unhappy private, "but how was I to forget?"

Thirty-Six Million in One Hand

Eight cheques totalling in value no less a sum than \$36,755,630 changed hands on May 1 when the Canadian Pacific Railway paid off the balance in principal and interest due of the sixty million dollar loan contracted in 1933, and guaranteed by the Dominion Government at that time.

It will be remembered that in June of that year the Canadian Pacific had to raise the sixty millions to meet maturing obligations. The money markets of the world were then "rolling" the net effect of the financial crisis and were clouded with the result that it was not possible for a Canadian institution to borrow a large sum on advantageous terms. The Canadian banks therefore agreed to combine in making this loan, but as an added measure of security to the bank, the Dominion Government agreed to guarantee re-payment of the loan both as to principal and interest. The loan was to mature in five years, or might be paid off by the Canadian Pacific prior thereto on notice to be given to the bank. It has been paid off in full in less than three years, and the obligation of the Government to guarantee payment came to an end automatically the moment the cheques handed today were presented. Furthermore, since all interest and other charges have been paid by the Company, the entire transaction has not cost the Dominion Government one cent. The loan originally carried an interest rate of five per cent, but later this was reduced to four and a half per cent. New loans raised by the Company to pay this off were made at a still lower rate of interest.
