to change. Particulars and entry forms are obtainschool children, and first prize is \$50.

BALL TEAM WON FIRST GAME

Acton Ball Team earned their first victory on Saturday when they locked horns with Campbellville in an exhibition tilt and emerged with a 8-0 win.

Norm Morton, on the mound for the locals, showed he still was a first class pitcher, and held the visitors to two scratch singles. He was given good support in the field and fully earned the win.

Art Leppar, Acton; other southpaw pitcher, did the throwing for Cumpbellville and although he got beaten 5-0, he made a very creditable showing. Acton scored their five runs on five hits. However, there was about three runs they shouldn't have had. When Leppar would start to burn them in, the Campbellville catcher couldn't hold him, and they went as pass balls, allowing the runners to advance. He sure has spend to burn. Terry, who was filling in for Campbelivitie, till the rest of the players arrived, pulled off a couple of tensational catches in the outfield and robbed Acton of a couple of runs. The boys journey to Hillsburg to-night for another game. to get in first class shape for their open-

ADVISED TO EAT

BRAN FOR HER **CONSTIPATION**

Kellogg's ALL-BRAN Helps Miss Hanson

Read this enthusiastic, voluntary letter: "Just a line to let you know how much I appreciate Kellogg's ALL-BRAN. I was troubled with constipution." I usked my doctor what to do. He said to eat bran.

"I tried other brands but they woron't so good, so I tried Kellogg's ALL-BRAN, and it is just wonderful. It makes delicious mustins, too." - Miss Agnes Hanson (address upon request).

ALL-BRAN provides mild "bulk" - missing in the average meal. This delicious cereal also furnishes vitamin B and iron.

.The "bulk" in ALL-BRAN absorbs moisture, and cently exercises and cleannes the system. It is often more effective than that found in fruits and vegetables, as it does not-break down within the body. ALL-BRAN also supplies vitamin B and iron.

Isn't this natural food pleasanter than patent medicines? Just eat two tablespoonfuls daily. If not relieved, see your doctor.

Sold by all grocers. ALL-BRAN is much more effective than part-hran products. Made by Kellogg in London. Ontario.

*Constipation due to insufficient "bulk"
