WESSENGER CAPTURED AGAIN

Russel Wessinger, 21-year-old fugitive from the Guelph Reformatory, was captured on Saturday afternoon, when he was surprised by Bowmanville police officers, two miles northeast of Pontypool. Wessinger had stopped at a farm, where he had been sleeping in an out-building, and was about to leave in a stolen car, when police arrived.

Wessinger was driving a maroon-colored sedan, which he told police he had stolen from Avenue Road, Toronto. It is owned by E. L. Copeland, of Toronto.

Chief of Police Sydney Venton, Highway Traffic Officer Ed Purvis, and Reeve R. O. Jones, of Bowmanville, acting on information from Peterboro police, went in search of Wessinger. They arrived at the farm, where he was believed to be, just when Wessinger was making plans to leave.

Whitham, instrumental numbers by a group, Miss Josephine McGowan, on behalf of the friends, in a few well chosen words, presented the young couple with baskets of lovely and useful gifts. After the gifts had been opened, the bride-to-be, though taken by surprise, briefly thanked her many friends for their kindness. After all singing "For They Are Jolly Good Willows," the remainder of the evening was spent in games and music, after which a delightful lunch was enjoyed by all.

COMING

"THE GHOST GOES WEST"

EVERY COCKEREL 2 lbs. OR OVER AT 8 WEEKS!

MRS. D. L. STOREY, R. R. 4, Simcoe, Ont., started 511 Bray Chicks—New Hampshire—this Spring. She raised 507.

The day they were 8 weeks old there wasn't a cockerel less than 2 lbs. in the flock. Many were over 2 1/2 lbs., some up to 3 1/2. Most of the pullets were 1 1/2 lbs., some up to the over 2 lbs. And all were wonderfully well feathered.

This is the kind of growthiness and vitality you want in your June-hatched chicks. It brings the pullets into production while egg prices are still at the high level—and gives your cockerels top market prices.

Bray Chicks of other breeds are showing the same kind of thriftiness. It's results like this that are making Bray Chicks increasingly popular. Our "end of the season" prices are very attractive.

Boy Scout News

The Second Annual Display is over. From an entertainment viewpoint it was quite a success, but as a money-making venture it was a complete flop. A number of the audience proclaimed it the best show of the season, but this is dull satisfaction when it also drew the poorest crowd. A party of Scouts from the 3rd Guelph Troop, under Scoutmaster Brothers, took part in the knotting and signaling competitions and put on a fire by friction demonstration.

"The Agony Hour," under the able direction of Mr. Charles Kirkness, proved to be an amateur contest for the Cubs and Scouts. The prize was a season's ticket to the local ball games, and was won by Billie Vincent.

Mr. James Algie turned in his usual star performance on his cornet, and the applause of even so small an audience demanded two encores.

The hit of the evening was Mr. Herbert King, the magician, whose performance was breath-taking. Among a variety of other feats of magic, he produced rabbits from rolled-up newspaper and pigeons from flaming gasoline.

Mr. George Elliott, of Milton, Halton representative to the Provincial Scout Council, attended the concert and spoke briefly.

The Scouts appreciate very much the assistance of the Acton Concert Orchestra Company, under the direction of Mr. Charles Mason, which presented some very fine musical selections. The Scouts are particularly appreciative to Mr. Herbert King, the magician, Mr. James Algie, the Guelph Scouts and Mr. George Elliott, who came from out of town at their own expense and gave their services free of charge.

The poor attendance was disappointing to the boys and discouraging to their leaders. It was hoped that the receipts of the concert would help provide funds for the summer camp, but unless something unexpected turns up the prospect of holding a Troop Camp are very remote.

SICK

Brown: "I told my wife she needed a new hat yesterday."

Green: "You told her that? Good gracious, what did she say?"

Brown: "She said, 'You sit down quietly, dear, while I phone for the doctor.'"

FINAL MEETING OF SEASON HELD

The Duke of Devonshire Chapter of the I.O.G.E. met on Tuesday evening with Mrs. Dryden at the home of Mr. and Mrs. H. S. Holmes. This was the last meeting until the fall. Items of business transacted included the appointment of representatives of the Order to the Y.M.C.A. Women's Associate Board. The appointees were Miss M. Z. Bennett, President, Mrs. P. W. Pearen and Mrs. D. A. MacRae. Congratulations were tendered the teachers and pupils on the successful Empire Day concert and the balance of funds for this event were given for music purposes at the school. A donation was made to the Children's Aid Society. Items on the program included a piano duet by Mrs. Dryden and Miss L. M. Gray, and readings by Mrs. P. W. Pearen and Mrs. G. W. Macales. The Regent, Mrs. F. S. Blow presided—lunch and a social hour were the concluding features.

LEGION CHURCH PARADE

Legionnaires from Acton and all the branches in Zone 13 assembled in Mimico last Sunday afternoon for the "Annual Church Parade."

Thirteen Legion branches from New Toronto, Long Branch, Port Credit, Brampton and towns of Halton and Dufferin Counties were represented. Over three hundred veterans, dressed in berets and decoration, led by the Toronto S.A. Cadets' Band, the Salvation Army Y. P. Band, of Toronto, and the Milton Band, paraded from the Legion clubhouse to the High School grounds, where a drum-head service was held.

Rev. A. Finnis Marsh, of Mimico, offered prayer, and Rev. Canon Major H. D. F. Woodcock, of Toronto, delivered the sermon. The route of march to the service led via the Mimico cemetery, where a wreath was placed in memory of fallen comrades. Zone Commander J. M. McDonald, of Acton, took the salute as the veterans marched back to the clubhouse of Post 217 for dimitzal. There was a fine representation from the Acton Branch.

NOT TO BE SEEN

One day, when Mark Twain was very busy writing in his study, his little daughter asked where daddy was, and was told she must be quiet and not disturb daddy, because he was upstairs writing an anecdote.

Not long after the door-bell rang and the little girl ran to answer it. The caller asked if Mr. Clemens was in, to which the little miss proudly replied: "Yes, sir, he's in, but you can't see him, 'cause he's upstairs riding a nanny goat."

SPORTS

More Rambling Round in a Runabout

It sure looked like a different ball team out there on Saturday than played against Milton.

The Mortons, Bus and Norm, had three hits apiece, with Anderson and W. Waterhouse two each.

Acton capitalized well on their hits, scoring 10 runs on 14 hits; while Georgetown got but 7 runs on 10 hits.

The Georgetown diamond is skinned now and makes it twice as easy to play on.

Sorry! but we just haven't the heart to rub it into the neighbors' egot that 10-2 trimming.

NOTED CANADIAN ARTIST DEAD

Famous throughout the world as a painter of landscapes, Homer Watson, 61, died on Saturday at his home in Doon.

For years travellers have been attracted to his home and studio, and his work is represented in galleries throughout the world. "A Hillside Gorge," "The Nutgatherers," "The Wood Gale," and "Waning Winter," represent his work in the National Gallery at Ottawa.

When a boy, working in a local brickyard, Mr. Watson received his start as an artist when M. B. Perline, a fellow villager, bought him a box of paints. With no artistic education at the time, Mr. Watson gradually schooled himself as a painter. His first large landscape, "The Pioneer Mill," painted when he was 18, was bought by the Marquis of Lorne, then Governor-General, and now hangs in Windsor Castle. Years of study in Toronto and European cities followed for the young artist, who never lost the influence exerted by the brilliant Canadian landscape, with its great trees.

Here and There

Barrwell, Alta., sets this year's record for the first official report on work on the land, according to a message received March 19 by the Agricultural Department of the Canadian Pacific Railway at Winnipeg. The earliest last year was from Taber, Alta., which has held the record for five years, on March 21.

Alfred S. McKay, recently elected president of the Southern Alberta Pioneers' and Old-Timers' Association, in one of the two surviving members of the survey party which charted the route of the Canadian Pacific Railway across prairies and mountains in 1880-1885.

Interviewed at Victoria recently, W. M. Neal, vice-president of western lines, Canadian Pacific Railway, stated that he anticipated one of the biggest travel years in recent Canadian history. There had been, he said, a substantial improvement in passenger travel business last year which is expected to continue this year.

Changes in hotel management in western Canada are announced by H. P. Mathews, general manager Canadian Pacific Hotel system as follows—T. E. Chester, manager Hotel Vancouver, appointed assistant general manager of the company's hotels in western Canada, succeeding A. E. Robertson, resigned; Colin F. Pratt, manager Palliser Hotel, Calgary, becomes manager Hotel Vancouver with W. J. Mylett, succeeding Mr. Pratt as manager of the Palliser.

Vancouver Island, known as the historical cradle of the Pacific Northwest, is to be featured this summer by a special cruise of the Princess North, of the Canadian Pacific B.C. service, which will make a complete circuit of the Island, leaving Vancouver at 2 p.m. July 15, for a seven day trip in the path of the early explorers.

During the winter season just closed, there was witnessed the greatest snow forward in sailing travel ever recorded. Over 51,000, more than a fifth greater than last year, made journeys over the week-end from Montreal to ski territory in the Laurentians, the mountain paradise to the north of Montreal thoroughly covered by Canadian Pacific Railway. Many came from elites in the Eastern United States to enjoy the sport.

Nine weeks have been named and arranged for Vancouver's Golden Jubilee celebrations proper this summer but the festivities will cover the whole season and are expected to attract visitors from all over the world. One of the high lights will be the re-enactment of the arrival of the first Canadian Pacific train half a century ago.

Thirteen short European cruises from British ports will be made between May and October by the Canadian Pacific liners Montclair and Montcahn this year. The Baltic and the Mediterranean will be covered extensively in these voyages.
